John H. Webb, Superintendent of Schools

is with great satisfaction, that we dedicate the 1979 PRIDE to Mr. John Harold Webb, our retiring Superintendent of Schools.

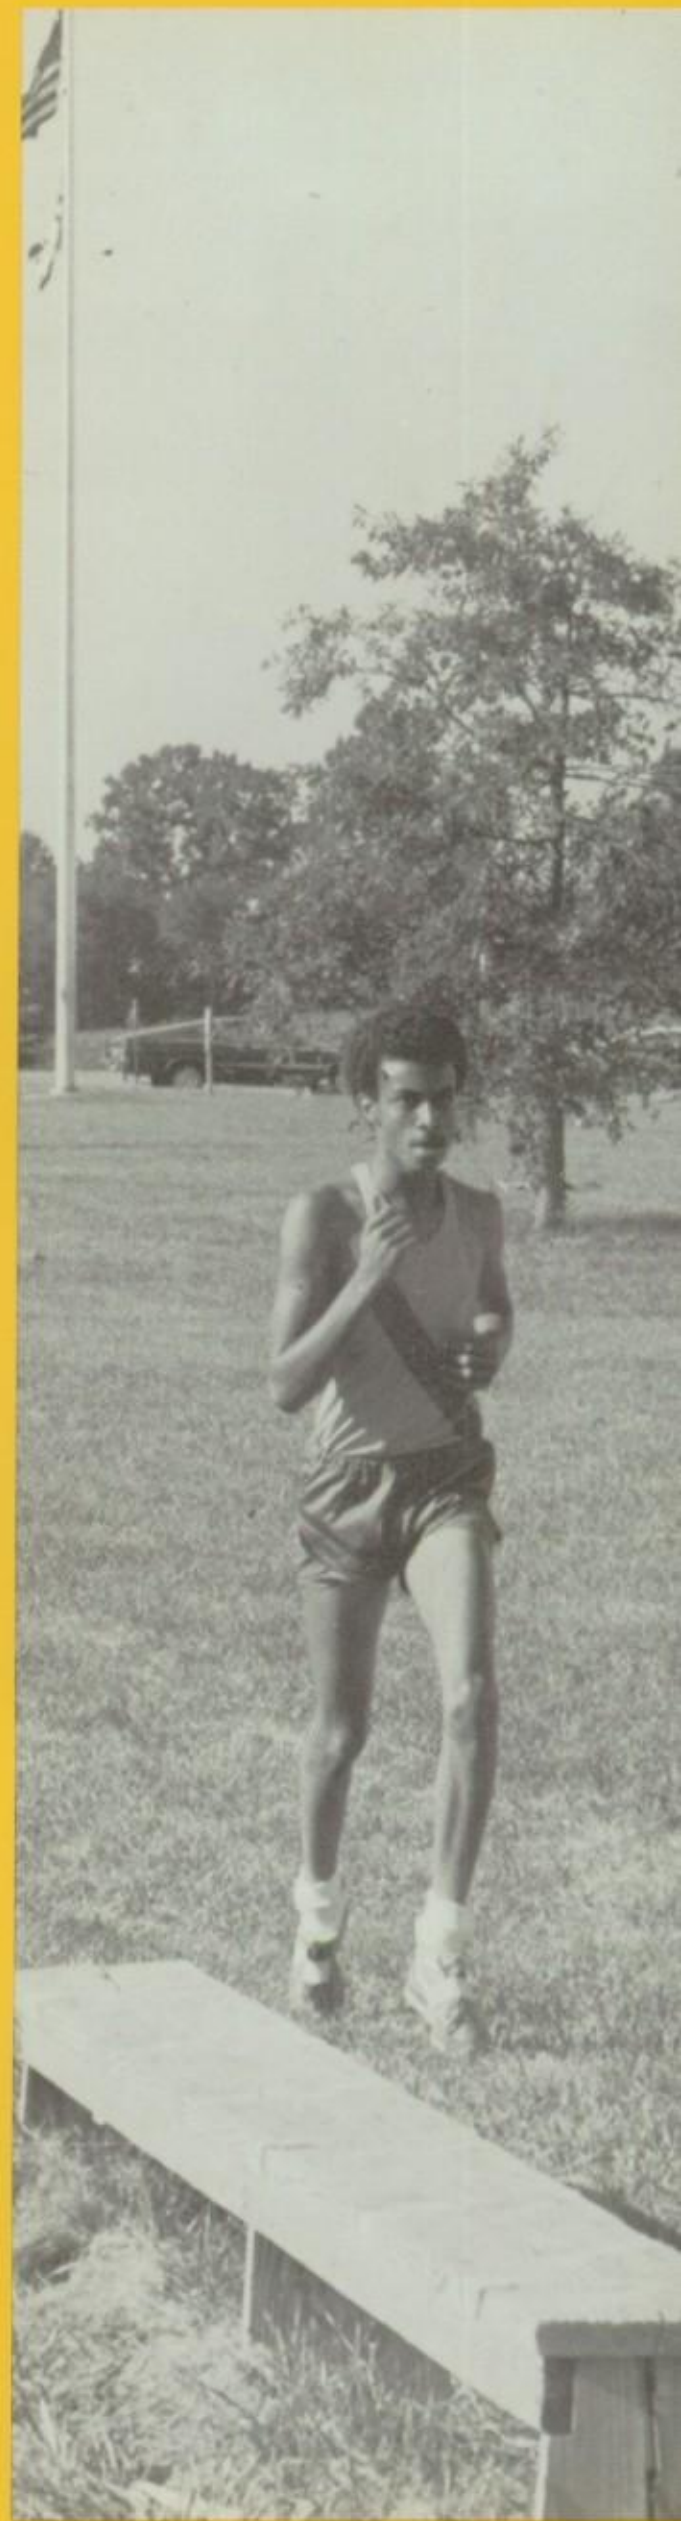

Mr. Webb has been an educator for the last 32 years. Before coming to Queen Anne's County, he taught English at the University of Baltimore and Loyola College. His first assignments in Queen Anne's included teaching English and Social Studies at the Centreville High School. He was then appointed principal of Sudlersville High School, a post which he held for two years before his appointment as Supervisor of high schools. In 1967, Queen Anne's County High School opened its doors, and Mr. Webb became its first principal and in 1968 was appointed Superintendent of Schools.

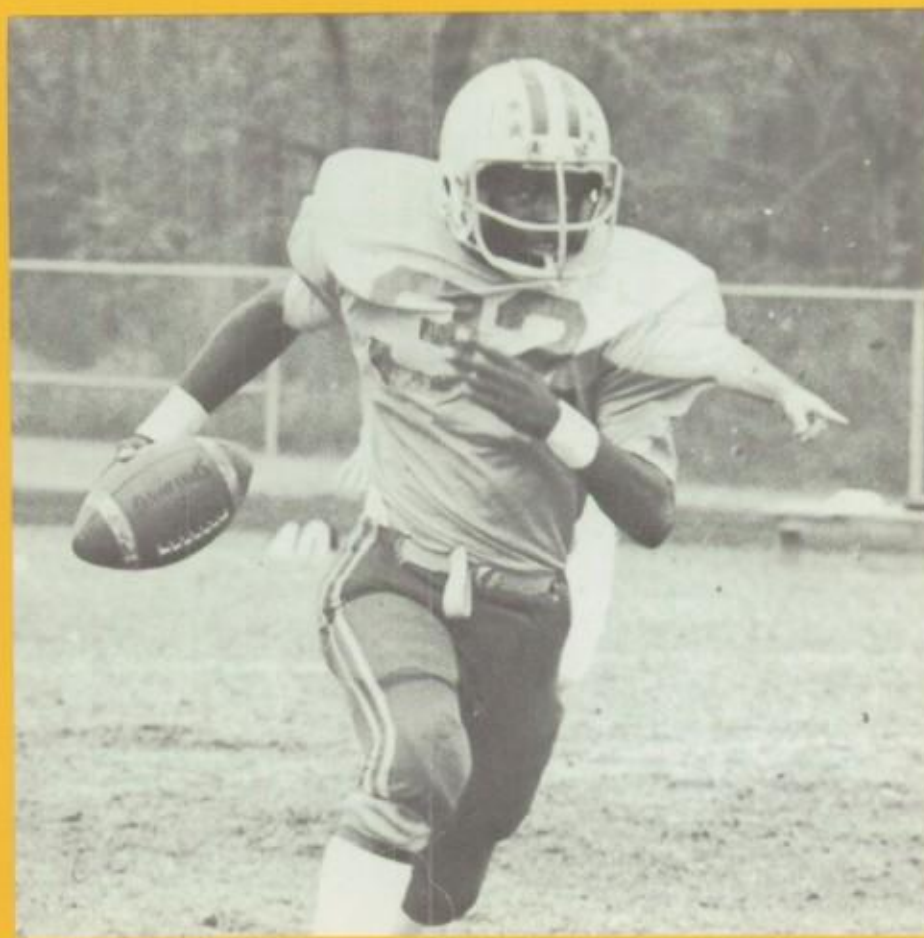

In an interview given to the press shortly after announcing his retirement, Mr. Webb enumerated the changes which have occurred during his tenure in office, and we think it well to present them here to you. In an attempt to affect the over-all quality of education in Queen Anne's, a number of non-teaching posts were created, and they include: a full-time Psychologist, three Speech Therapists, 10 Reading Specialists, two full time Nurses, and two Nurses Aides. He was involved in the planning and construction of some \$9 million dollars worth of school buildings and renovations. A new \$3 million dollar Centreville Middle School opened in the Fall of 1979, while every other Middle School has been enlarged and renovated. An addition and some renovation has taken place at the Centreville Elementary School, and similar changes are now in the blueprint stage for the Kent Island Elementary School.

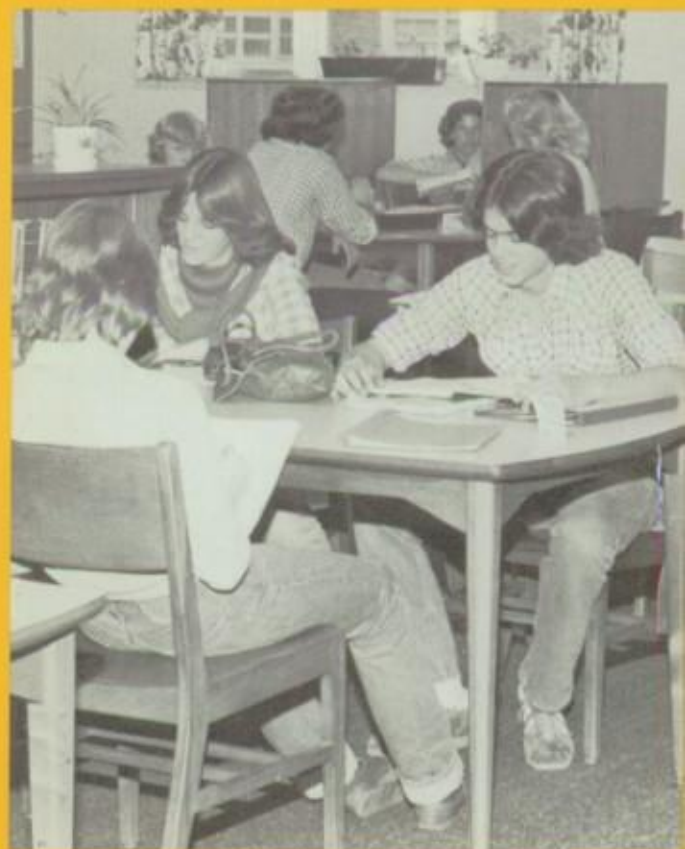

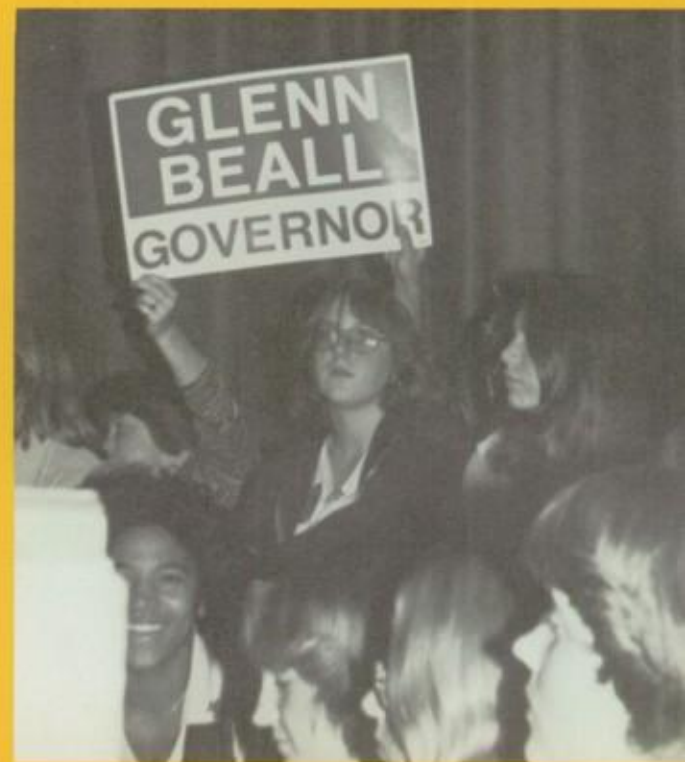

Under the guidance of Mr. Webb, Queen Anne's County has instituted a number of innovative changes, including The Continuum Program which brings a number of specialists to aid children who are having learning problems. Project Outreach is an attempt to reach students who have dropped out of school, and encourage them to study for their high school equivalency exams, and to aid them in finding a job that suits their talents. Another innovation is the Career Center at the high school, which endeavors to present students with a number of different options after high school, by providing information on the qualifications/requirements needed in many fields as well as providing information on schools, colleges, and armed services.

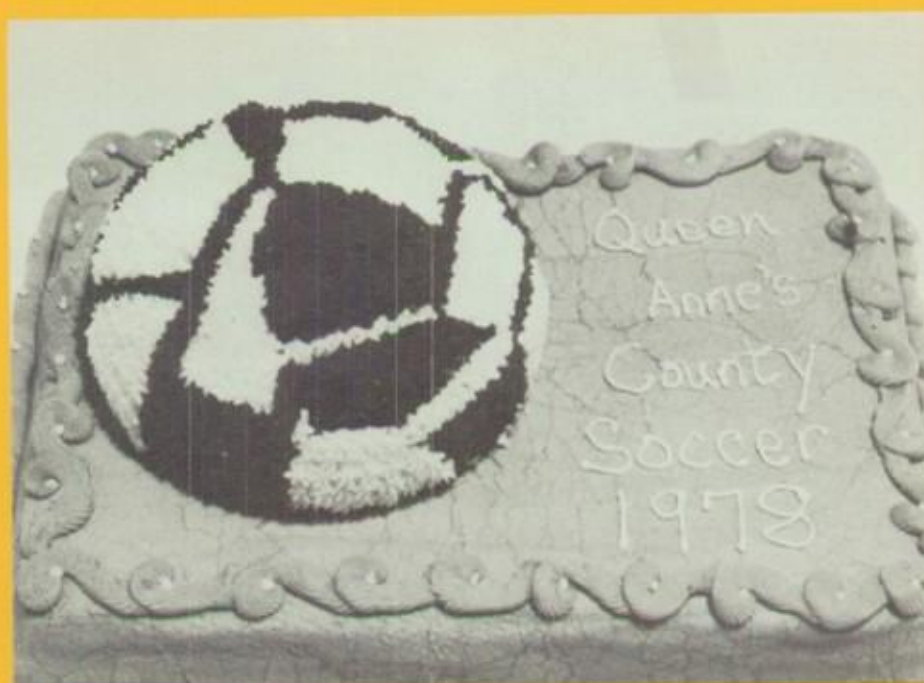

Mr. Webb said that he was "grateful and proud" to have had the opportunity of serving as the county superintendent of schools. His remarks to the school board would seem to underline that comment, for he indicated that he was "impressed with the unselfish concern you all have had for the education of the youngsters of the county. I think Queen Anne's County could be proud of its school system." We feel that we could take his comments one step further and say that it is we who are grateful and proud to have had such a competent and caring individual serving us as the chief educational officer of Queen Anne's County.

On the occasion of his retirement, we can do no more than to wish him a long, happy, and carefree retirement, for he has most certainly earned such a reward.

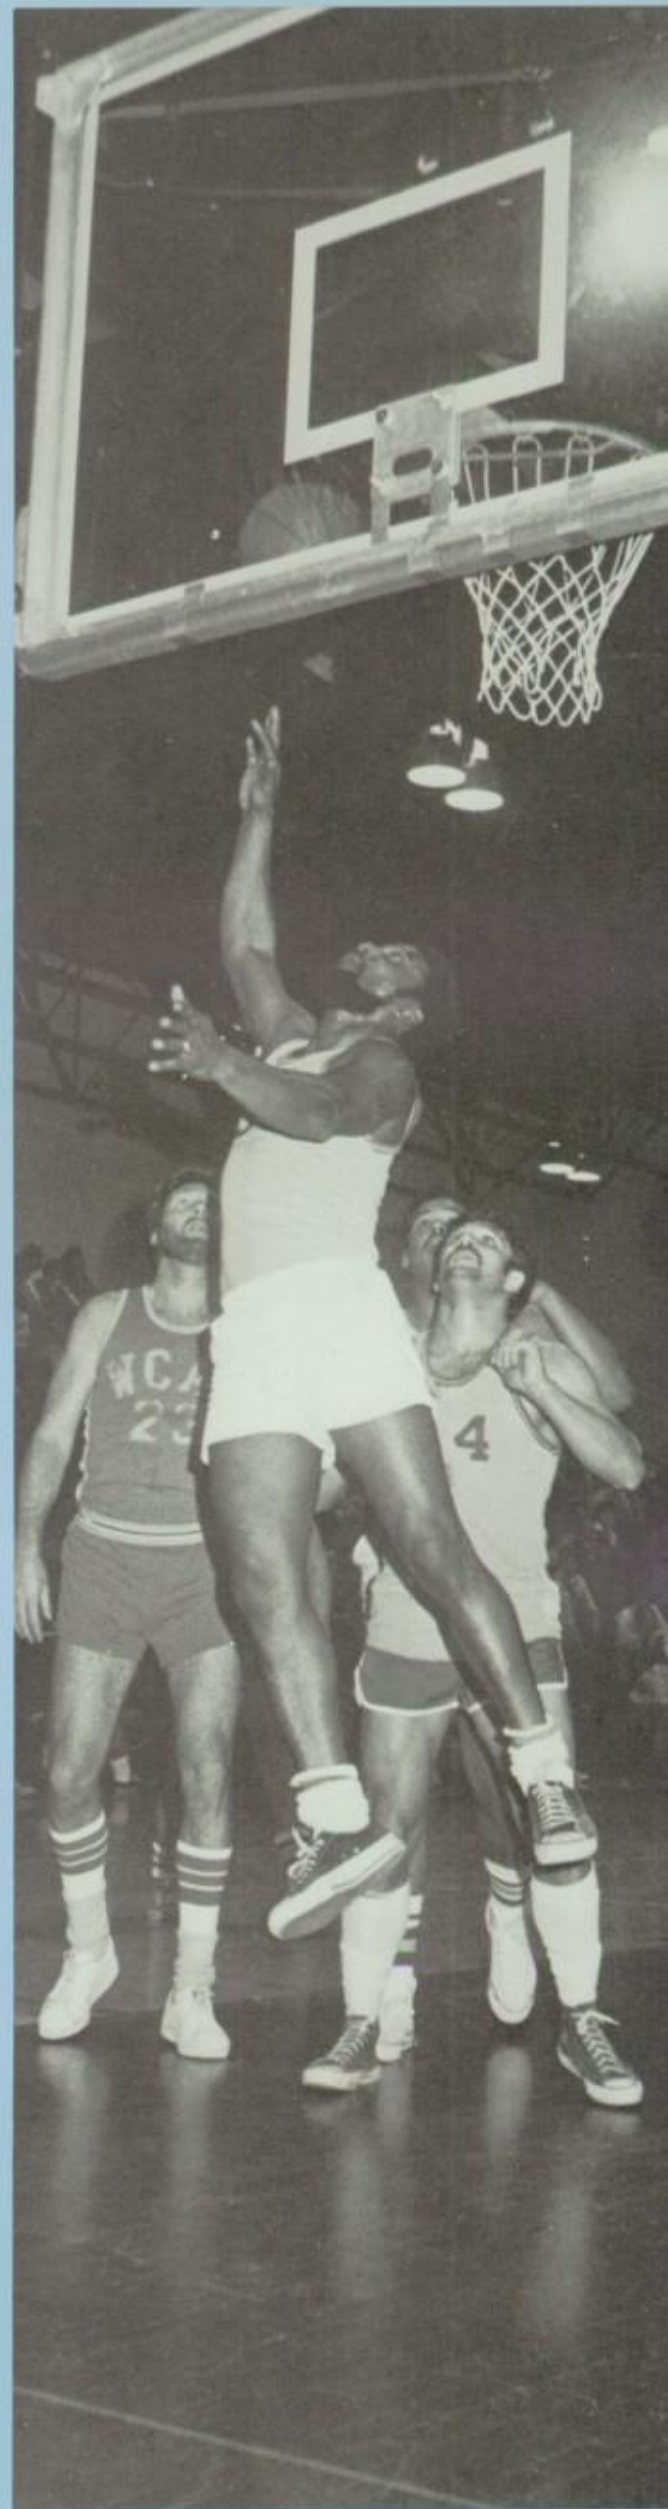

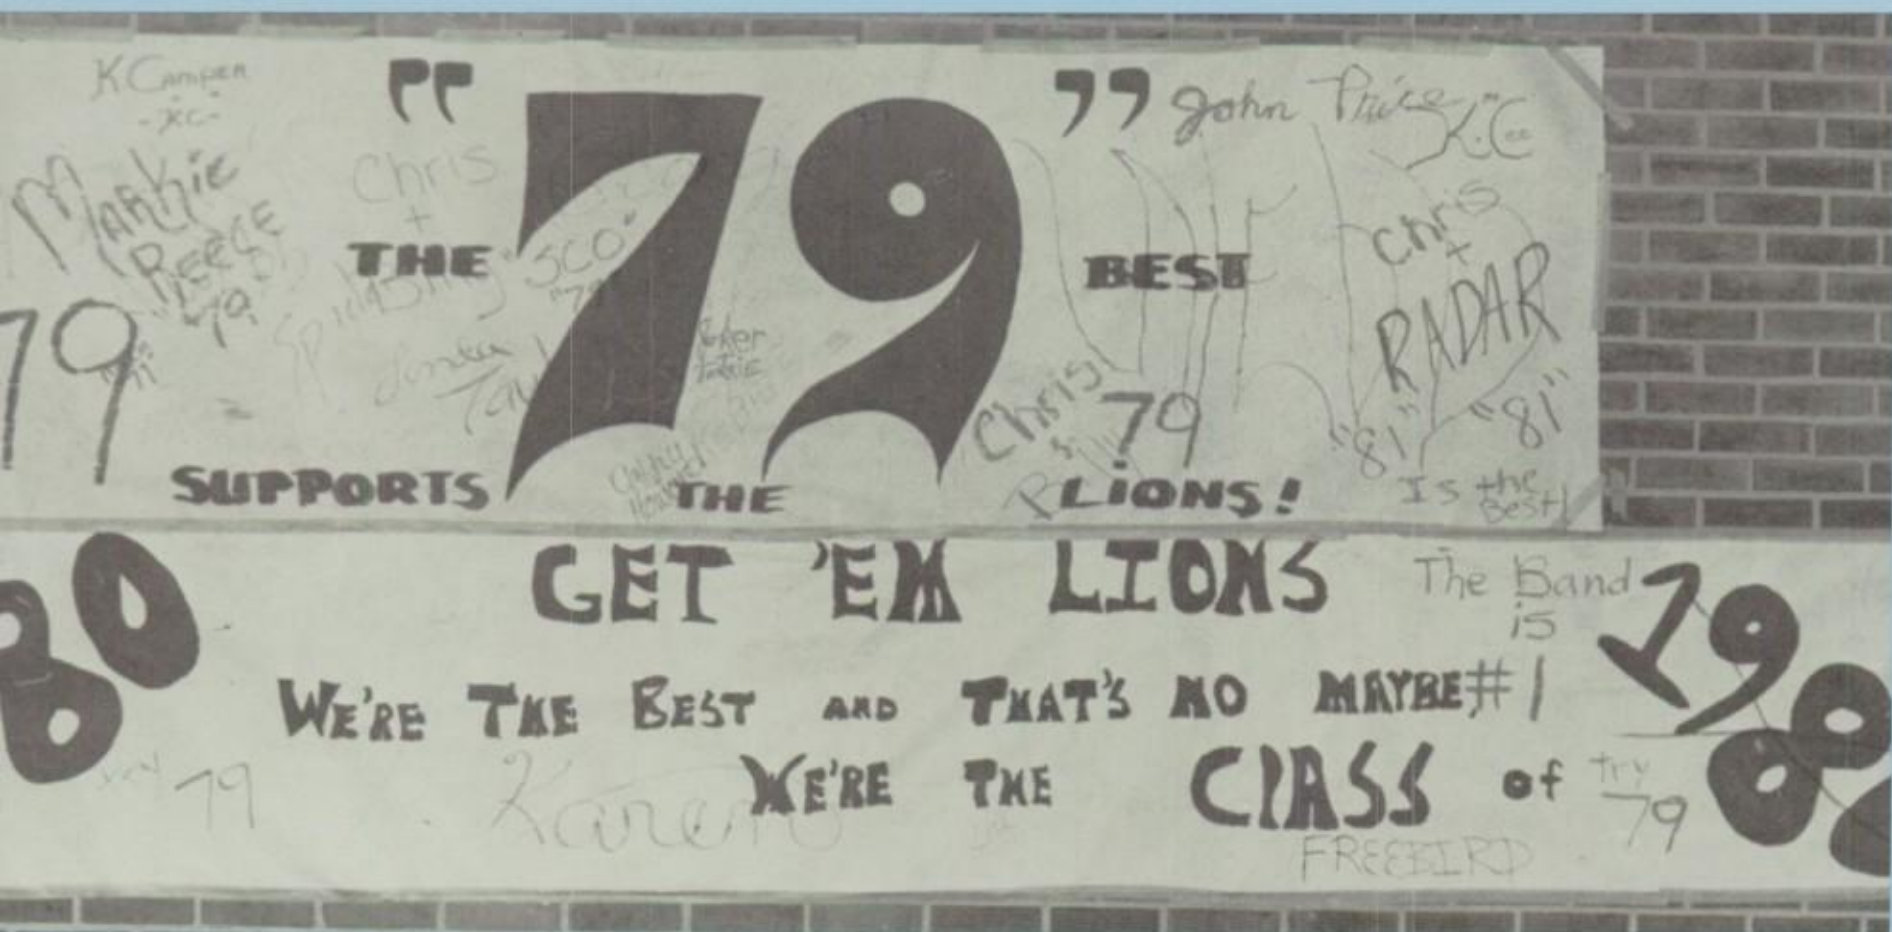

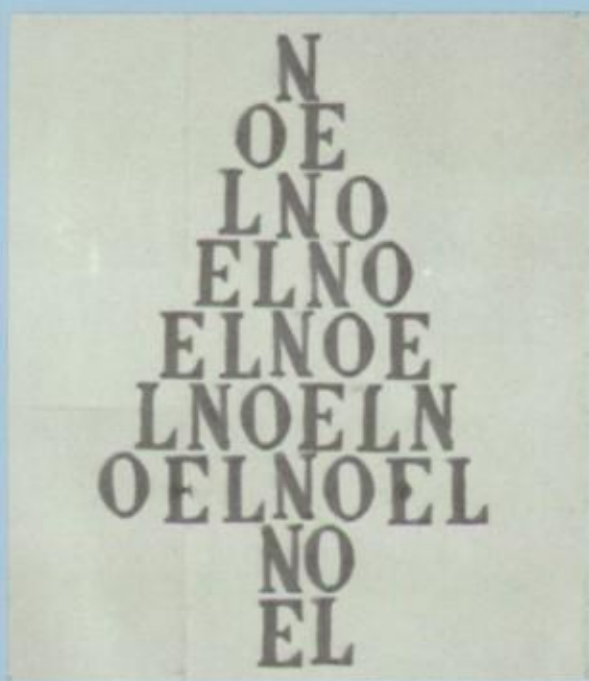

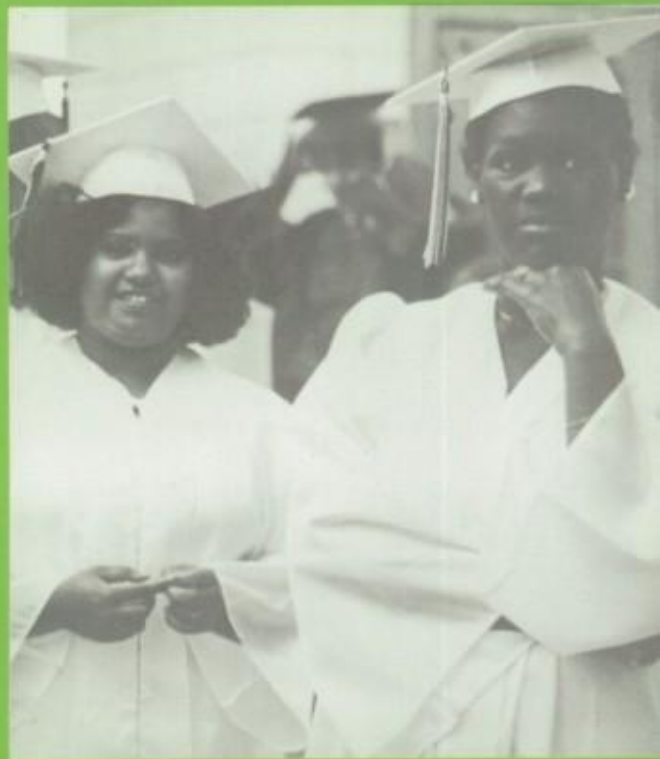

Tracy,
Front page exposure! Not bad. Good luck in the

Queen Anne's County Board of Education

Seated: Mr. Charles Schelts, Mrs. Elizabeth Draper, President. Standing: Mr. William M. D. Roe III, Mr. Richard Britt, Mr. Warren Butler, Mr. John H. Webb, Superintendent of Schools.

Congratulations to the Class of '79. Since you started to school twelve years ago in the first grade, yours have been exciting and ever-changing times. During these years you have lived through many fascinating and rapidly changing events. You have seen momentous social, political, scientific, religious forces that have in one way or another impacted on and altered all of our lives. You have lived through manned space flight and even man walking on the moon. Your twelve years in school spanned the terms of four presidents; you have seen on television the effects of campus riots and conflict in big cities; you have lived in a nation torn by Watergate and the Vietnam war. You have heard discussed and debated the effects of television on the young, women's rights and the pros and cons of working mothers. You have witnessed the changes in the styles of music and dress. The ecumenical movement among the churches of the world and nation has reached far and wide.

You have experienced either directly or indirectly the results of court decisions throughout the nation on desegregation, busing, prayers in school, discipline, due process, the rights of students, education of the the handicapped, the rights of women in athletic contests.

During these same twelve years you have seen the public schools of the nation respond to the demands of the courts, the state legislatures, and the communities and have been involved in one or more of the resultant additions to the curriculum. A few examples to cite would be the inclusion of special education for the handicapped, including three and four-year olds; family life and human development; drug education; environmental education; career education; new graduation requirements; the metric system; competency testing; state financing of school construction; kindergartens as an official part of the school system.

I am happy to say that you have survived these years with their changes and challenges and that your achievements have been outstanding in many ways. On the athletic field, in your academic pursuits, as participants in music and art activities, in scholarships, in the State testing program, for job preparation, and yes, for good behavior you have been a credit to yourselves and others. So many of our students, including you, have been complimented in other places by other people who have seen your good conduct while away from home on school-related trips. A true test of any group. You have stood tall when compared with your peers.

It must be remembered, however, that your success is the result of many factors. You have achieved it, but others have helped to make it happen — your teachers and school administrators, the Board of Education and its central office staff, the county fiscal authorities, the community-at-large, and your parents, guardians, relatives and friends who have provided the love, understanding, encouragement, and patience you have needed during the long twelve-year journey to graduation. You have performed well in your response and to you rightfully belongs the diploma — the symbol of your meeting the demands thrust upon you. In the years to come you will see and understand the wisdom of your choices. Congratulations again.

MR. JOHN H. WEBB, Superintendent of Schools

MR. WILLIAM M. YOUNG, Principal

You and the other youth of the nation, have an important role to play in today's world. This is due to the important fact that today's world needs you more than anytime in the past. It needs your concern to motivate action, your love to build brotherhood, your energy to help others, your enthusiasm to give dynamic power to your work, your dreams to give vision to life and your aspirations to supply hope for the future. These needs present a great challenge to you, through involvement you are on your way.

The students of Queen Anne's County High School have always demonstrated that you can reach any reasonable goal that you set. The school staff and administration is extremely proud, as we know every citizen in the community is, of the achievements that were made during 1978-1979. Congratulations and good luck in your future endeavors.

The Class of 1980

Billy Benton, President

Frank Draper, Vice-President

Lisa Oertel, Secretary

Brenda Dean, Treasuerer

The Class of 1980 opened its junior year by sponsoring a dance that featured the local band "Adonis."

Our next activity was the construction of a Homecoming float. This year it was a bright green and gold train whose slogan was "Chew, Chew The Trojans." It captured the first place plaque.

We entered the class play competition with a rendition of "Snowy White and the Seven Dwarfs." It was a modernized version of the classic with a slight change. It featured a motorcycle gang; and with it, came a second place plaque.

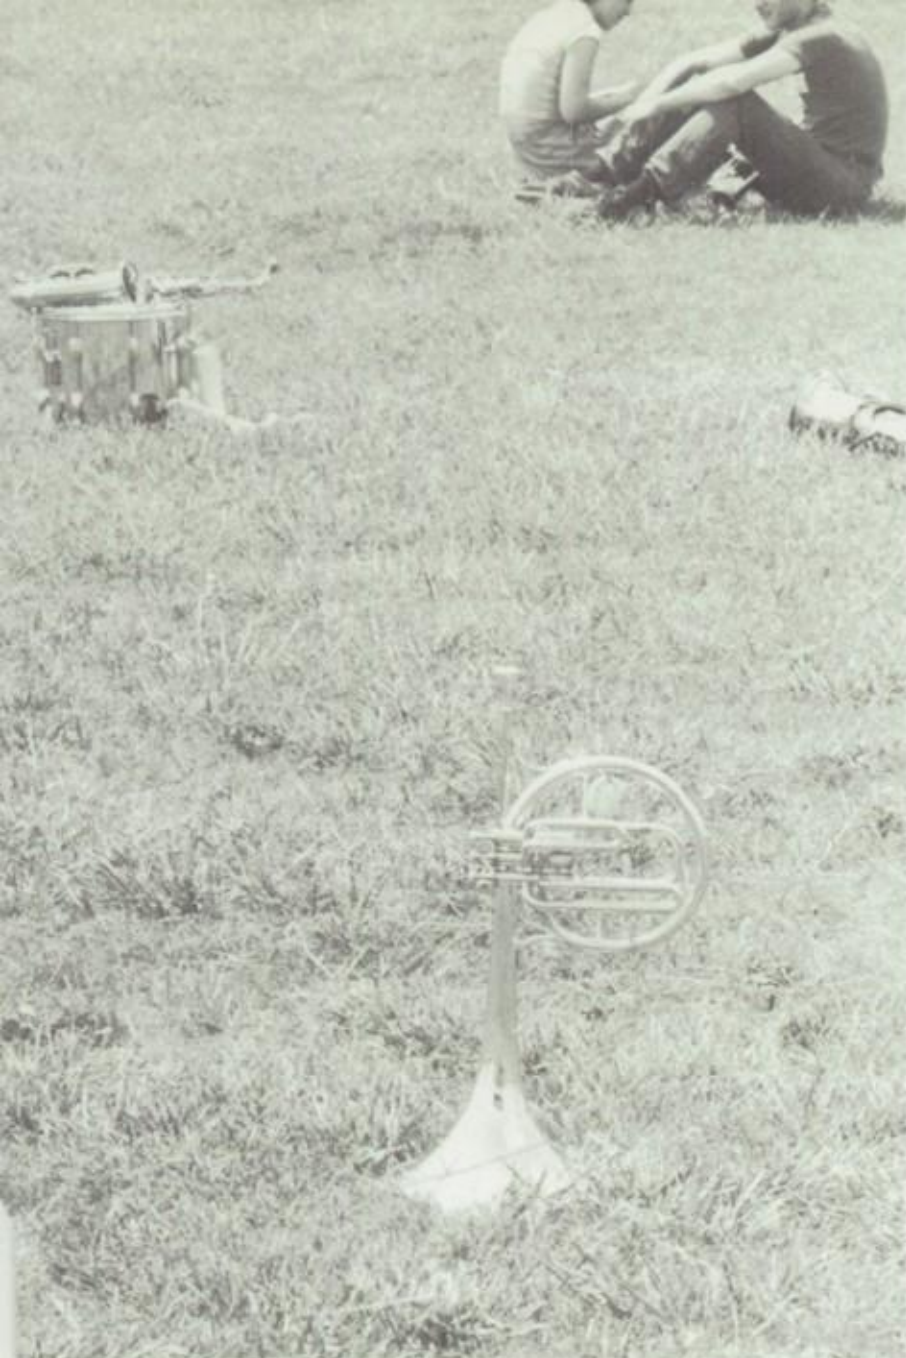

The biggest activity for the junior class was the prom. The theme was "Over the Rainbow," and it was held on Saturday May 12. For one evening, the lobby was transformed into a pastel fantasyland complete with rainbows and a huge castle. "Happy Daze," a band from Baltimore, kept the music going. Mr. Young announced the prom King and Queen, Billy Laroux and Robin Geer. Mr. John H. Webb, retiring superintendent of schools assisted by crowning the Queen.

A week after the prom, juniors got caught up in Spirit Week by decorating the upstairs hall. For their efforts, the class received another first place award.

In order to raise money for the prom and various other activities, the class also became involved in several bakes and even held a bus wash the night before the March school bus inspection.

Finishing off the year, the juniors participated in the class volleyball competition, taking first place over the seniors in the boys division.

After completing such an exciting junior year, the Class of 1980 anxiously awaits their senior year.

The Class of 1981

Lisa Horney, Secretary, Teresa Smigo, Vice-President, Keith Belton, President, Edie Molnar, Treasurer

The class of 1981 held many bake sales and car washes during the summer to raise money for our Homecoming float, the Lion's Den which took third place.

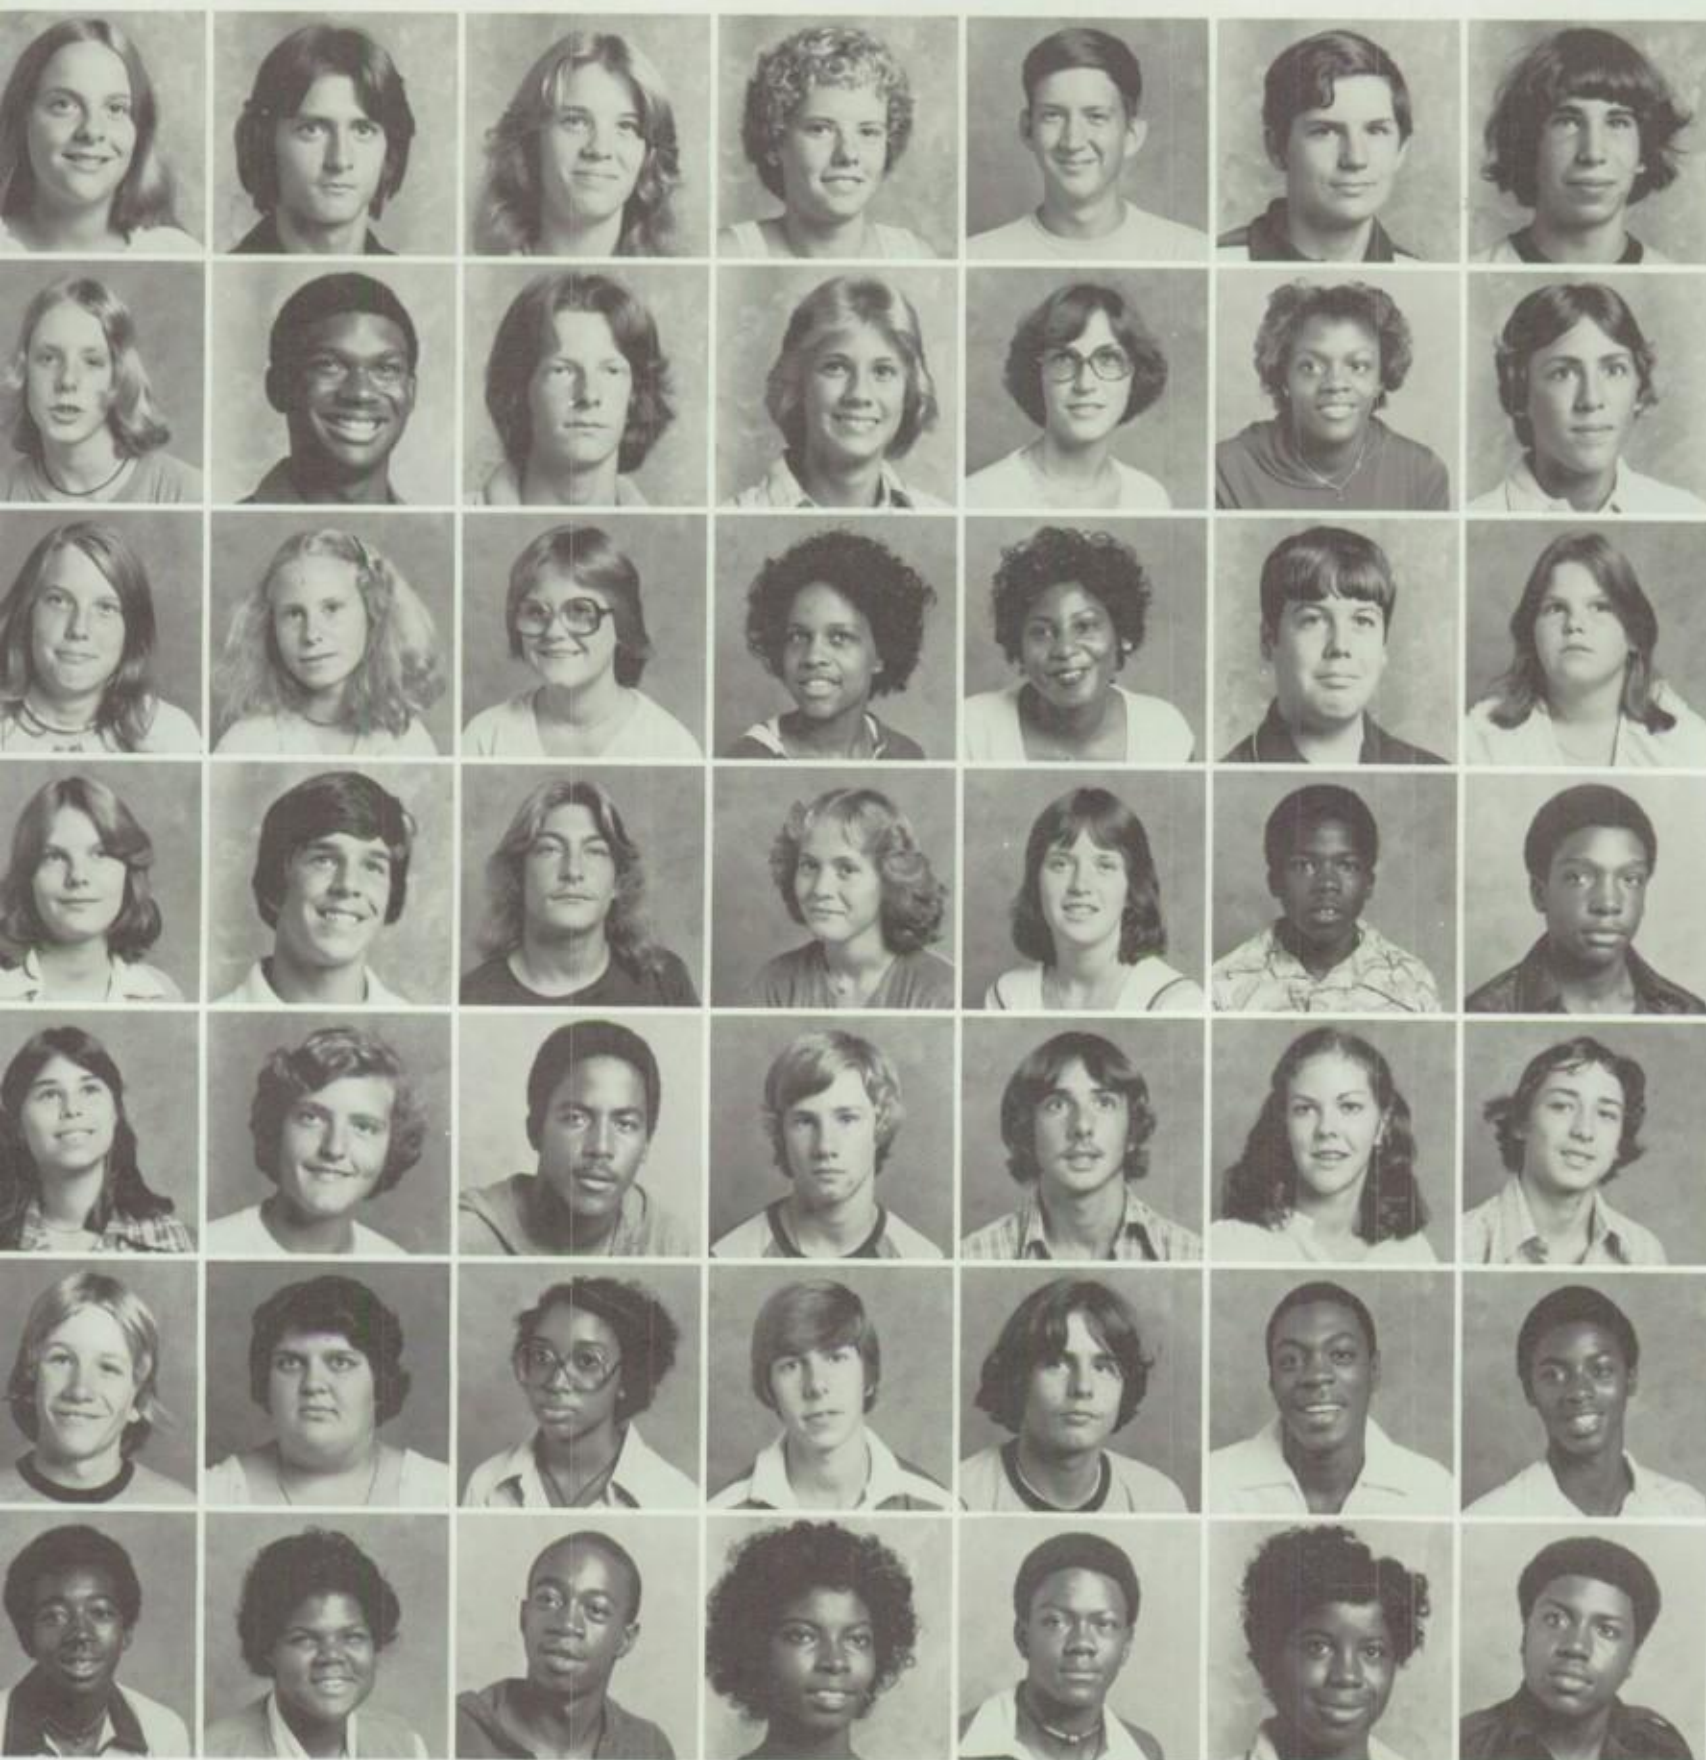

With the help of our advisors, Mr. Bentz, Mrs. Foor, and Mrs. Wilson, we held two dances featuring Universal Peace in October and WAQA's Disc Jockey in March. Our advisors also helped us with a basketball game in which QACHS faculty played WLPL Radio Station in Baltimore. Although the faculty were defeated it was a well-played game.

Toward the end of the year, we took part in the the class play competitions, in which our class presented "Boys Without Skirts," won third place.

During the annual volleyball competition this year, the girls finished up in first place by defeating the Seniors. The co-ed team placed second. All would agree that we gave the Juniors and the Seniors a run for their money.

In closing our sophomore year, we would like to thank our class officers, President — Keith Belton; Vice President — Theresa Smigo; Treasurer — Edie Molnar; Secretary — Lisa Horney for they helped to make our year run smoothly.

We would also like to thank our advisors, guidance counselors, and everyone else who helped make our sophomore year a memorable one.

The Class of 1982

by Coleman, President; Lori Carter, Historian; Chuck Nesbitt, Vice-President; Billy Wright, Treasurer; Patricia Leager, Reporter; Lynn Gallaway, Secre-

The class of 1982 has begun to show signs of becoming a productive and enthusiastic class. Even though they lost in both volleyball and float competition, the highlight for "82" was taking first place in the class play competition by performing "If Girls Asked Boys for Dates," directed by Miss Vasil.

The class of 1982 would like to "spread their name" next year by forming a "Spirit Committee" for students interested in making signs and banners for school functions.

The newly elected officers for the upcoming year promise a busy but enjoyable year!

Tracy,

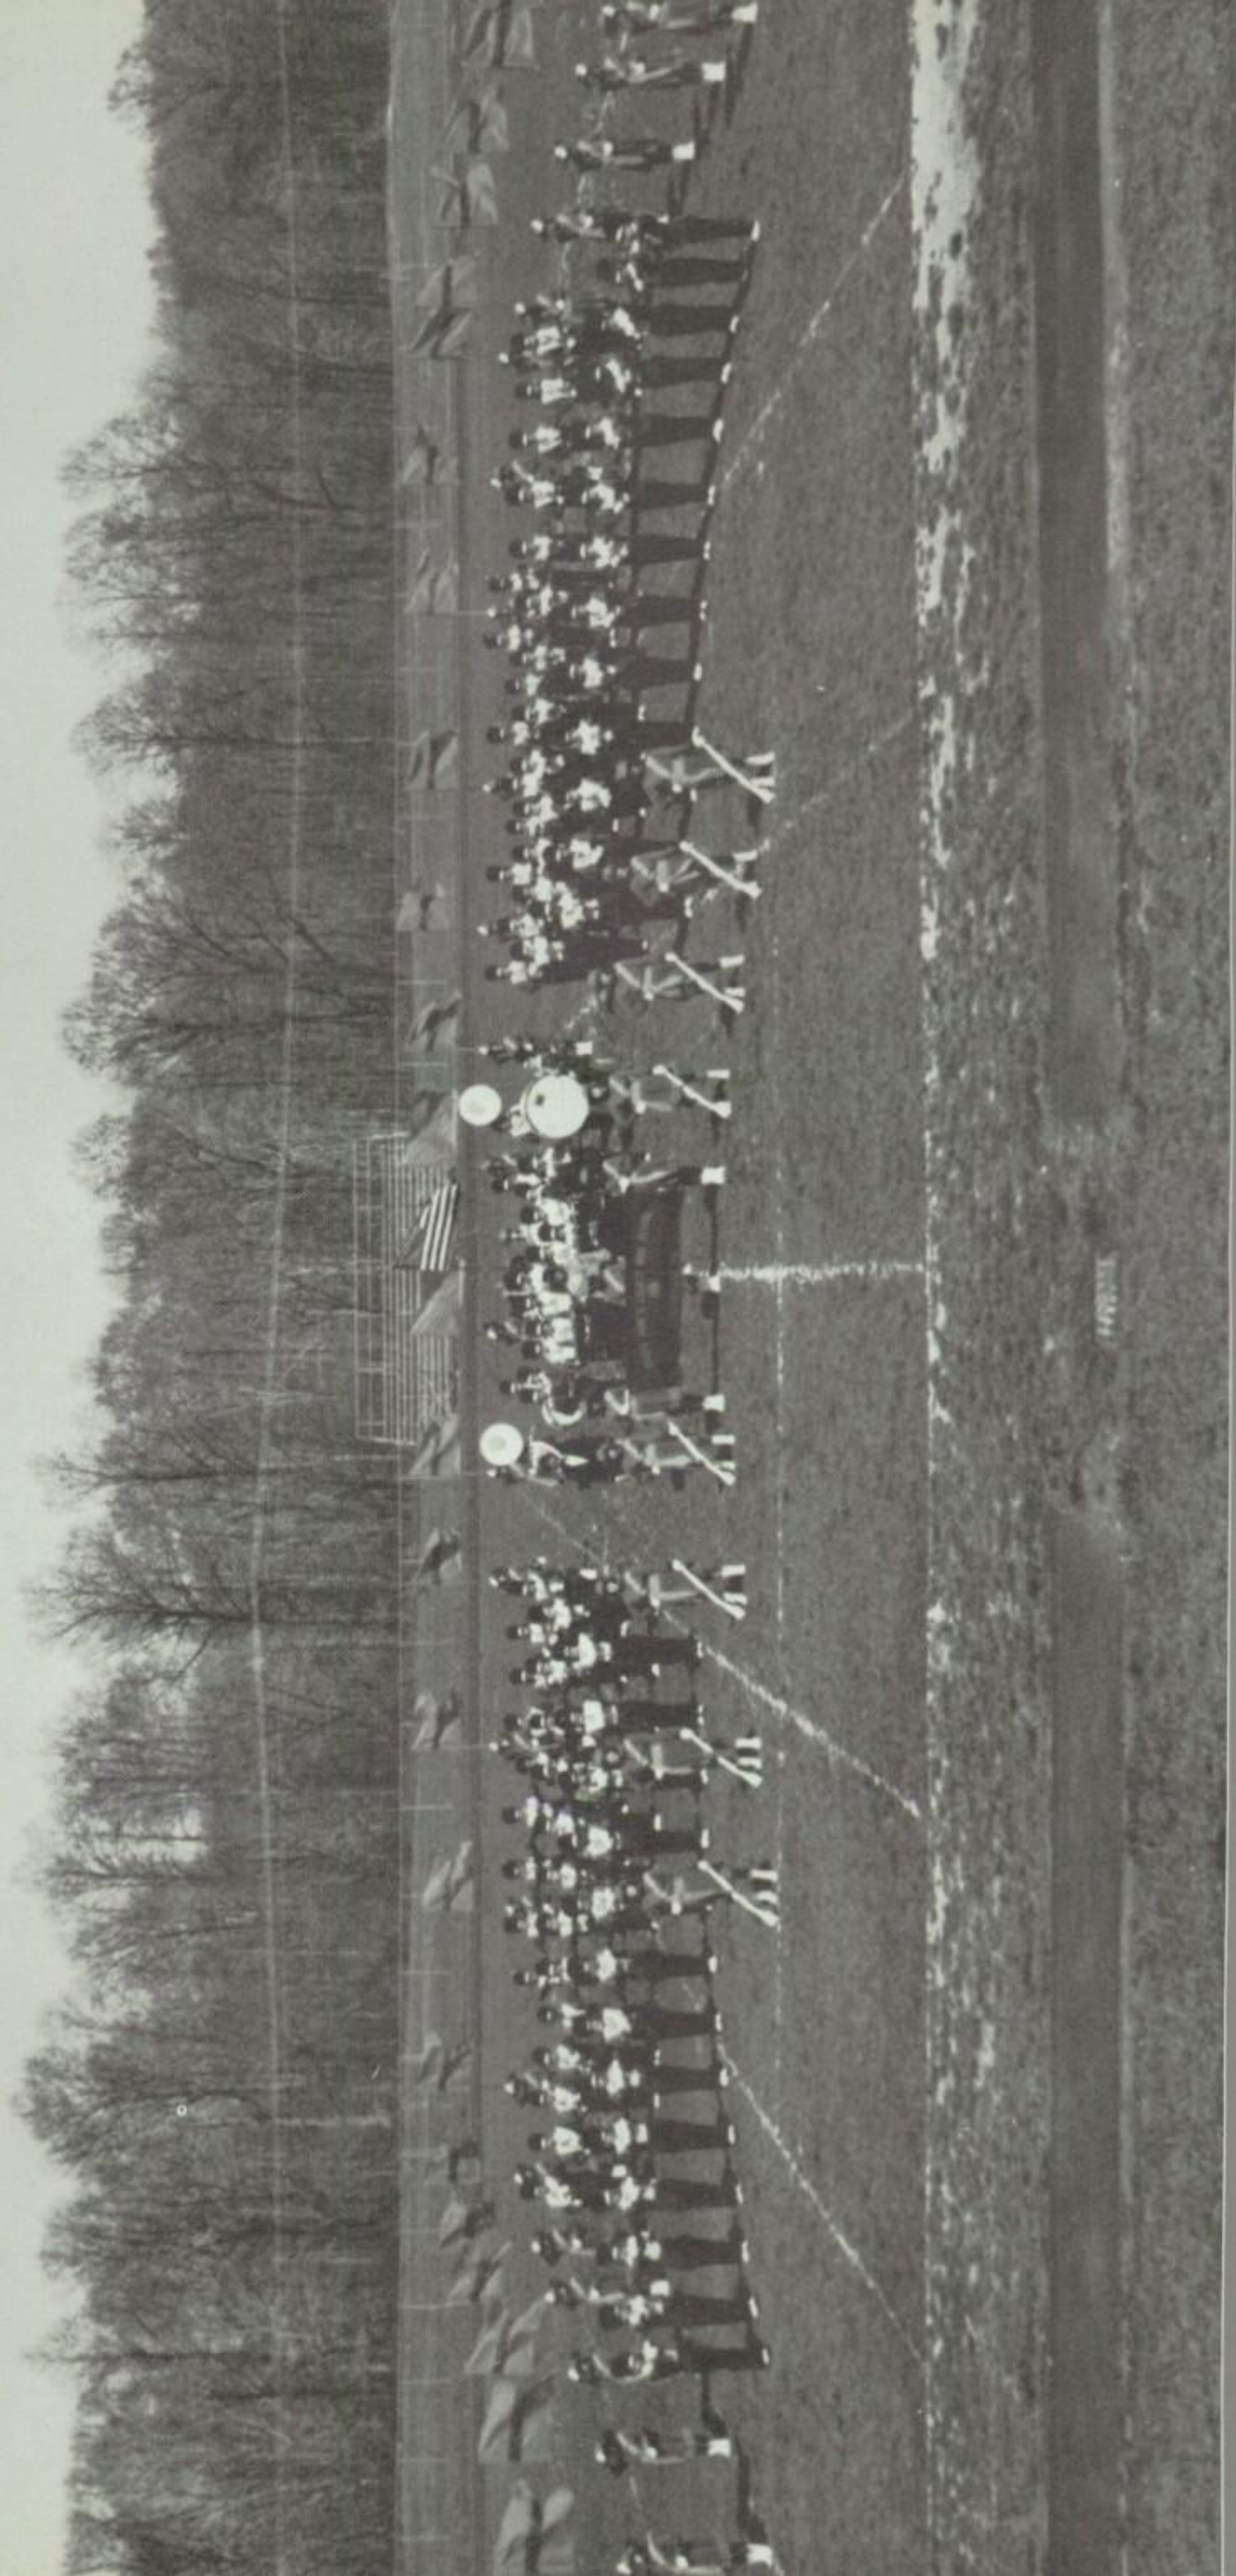

To a good friend, good luck in the future.

Remember all the good times we had in Band and Chemistry
and teasing big sister. Stay in touch after graduation.

P.S. Good luck to you & Tom

A Memorable Year

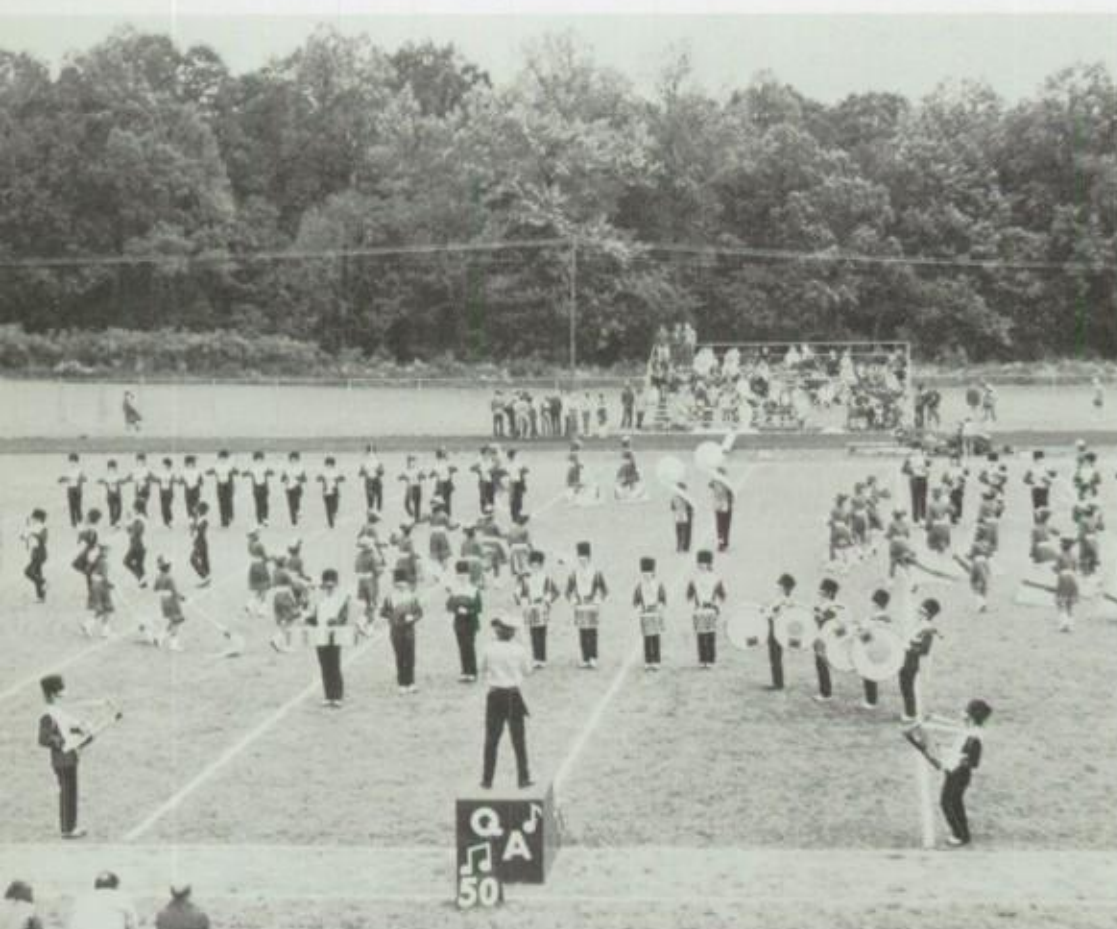

The 1978-79 school year was an exciting one for the Lion's Marching and Concert Bands, filled with lots of travel and appearances at major events.

The fall started off with appearances at all of the home football games, and 3 field competitions for the band in Severna Park, West Chester, Pa., and the 5th Annual Delmarvacade of Bands. The QA Band was dethroned as Eastern Shore Champion by the Parkside Rams, put on a dazzling performance that won't soon be forgotten.

Thanksgiving Day saw the band in Philadelphia at the Gimbel's Thanksgiving Parade. A broken-down float held up the band just long enough that they missed being on national TV by only a few seconds, but the parade was carried on a network that gave them exposure in a great many parts of the country.

The concert band presented a Christmas concert in conjunction with the choir and participated in the District V Band Festival. The band also presented a concert in March, and ended the year with a pops concert in June.

The parade band marched in Christmas parades in Salisbury and Cambridge, capturing 1st place in both those parades. In the spring, the band traveled to Norfolk, Virginia, and placed 1st among the more than 40 bands that were at the International Azalea Festival. The band placed first in the Denton Loyalty Day Parade.

The year was topped by two special events. The first was the participation of the band in the Kentucky Derby Festival in Louisville, Kentucky. The band members had a chance to visit historic Churchill Downs, the Patton Museum, and took a ride on a riverboat on the Ohio River. The band competed in the Kentucky Derby Festival Field Competition, and won 4th place. In the Pegasus Parade, the band finished 5th in competition with 32 of the best bands in the United States.

The 78-79 school year had to be viewed as the most successful ever, for the Queen Anne's County High School Band.

Tracy,
 To a good friend
 who always tried to
 pick on me during
 my freshmen year
 by I wouldn't
 let it bother me.
 Good luck in future,
 Love
 David

Homemakers Active

Future Homemakers of America is a national vocational student organization for young women and men who participate through F.H.A. Chapters or H.E.R.O. (Home Economics Related Occupation) Chapters.

The national objective of F.H.A. is to help youth assume their role in society through Home Economics education in areas of personal growth, family life, vocational preparation, and community involvement.

F.H.A. membership is open to any academic or vocational student — boy or girl — who desires to join the club. They do ask that all members pay \$2.00 for State/National dues and \$1.00 for local chapter dues.

The officers for Q.A.C.H.S.'s F.H.A. are the following people: Portia Ackridge, President and Shelia Shorter, Vice President.

Farmers Promote Understanding

The Future Farmers of America's newest endeavor this 78-79 year was to distribute old agricultural magazines throughout the public facilities in the area. This practice was to help more people stay abreast of the agricultural changes in this country.

The FFA chapter represented the state of Maryland in poultry judging at the Virginia State Fair. The members of the team were Billy Boyles, Milton Karbaum, and Art Ludwigson. These members earned the right to judge in this contest last spring. At the contest, the team placed fourth overall, and Art Ludwigson placed third individually.

During the fall, several members entered project record books in the annual competition for proficiency awards in the Maryland FFA Association. This year's winner was senior, Mark Eck who won a gold medal for his poultry production project.

At the Region 9 FFA meeting held on November 1, Mark Eck was elected President of this region's association which includes Kent, Caroline, Talbot, and Queen Anne's Counties.

Despite the snowy weather, a large crowd attended the Annual FFA Open House. A lot of very fine farm equipment was on display for the public's view.

The members of the QACHS FFA plan to continue to be as active in their organization in the coming year as they have been in the past.

A Banner Year

The *Shore Lion* staff got a head start on the school season by working during the summer and selling a special freshman issue on the first day of school.

They then followed up with a November issue that presented the new teachers and our school nurse to the student body.

The traditional Christmas issue came out in December. Besides having a seasonal atmosphere, the paper featured Homecoming highlights and a wrap up of fall sports.

A joint January/February edition was distributed after the blizzard in an attempt to bring school news up to date.

Trying for versatility, the staff came up with an April Fool's edition of the *Shore Lion*. Accompanying it was a section titled *Sure Lyin'*. It became a favorite with the staff and was a lot of fun preparing.

The final edition for the 1978-79 school year was the special senior issue. It was the biggest paper; and it included a list of Senior Superlatives and Last Will and Testaments.

Their second year together, apparently, was a successful one. They became more sophisticated in their writings, proofreading became more thorough, and their lay-out time became shorter.

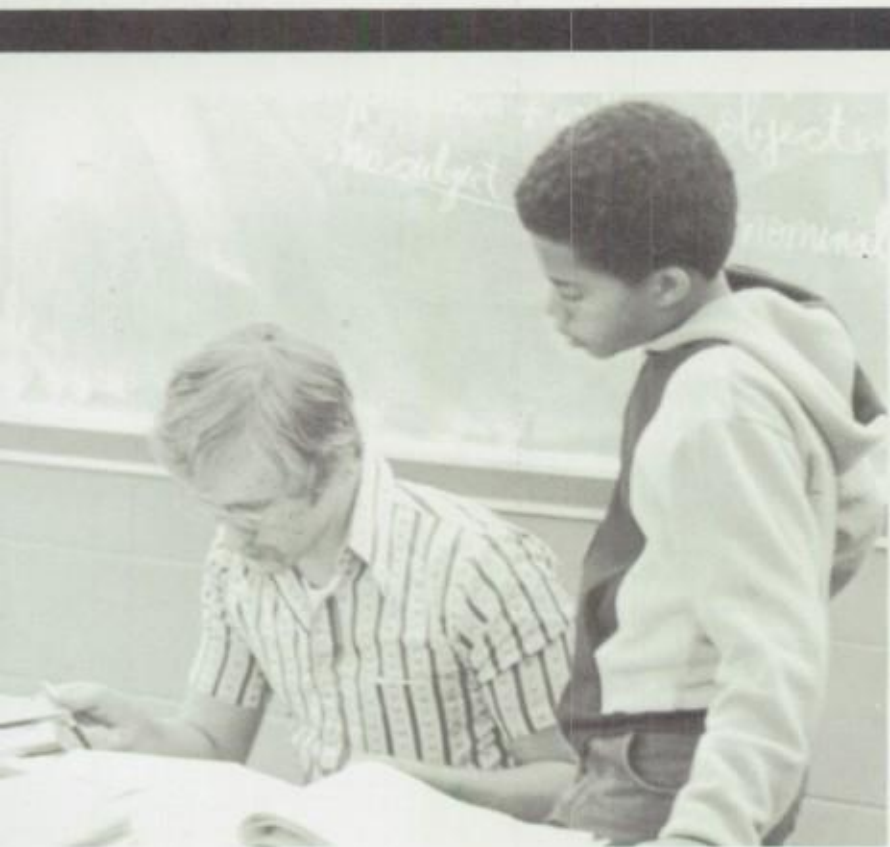

The staff rounded off the spring by touring the Baltimore Sunpapers, which showed them how a big newspaper is produced.

Their third year together can only be an improvement, and they are hoping for even bigger issues next year.

The Drama Club started off the year with participation in the Homecoming Parade. Three groups of Drama were represented: pantomime, clowns, and the origins of Drama.

In November, they presented the Pulitzer Prize winning comedy, "You Can't Take It With You."

Their spring production illustrated a study in pantomime and technical theatre. This play, "The Point," afforded an opportunity for the audience to experience musical mime for the first time.

We Tried Hard

It has been as usual, a busy year for the Pride Staff, starting with the organization of the new staff in September, to the last page in July, of our new edition. The staff has put in long hours on this year's book, and hope that the student body is pleased with the outcome. We would like to thank the student body for their support in the past, and hope that we can count on their continued support in 1979-80.

Cheers . . . to a successful season Cheerleaders. Besides more yelling than an average megaphone could hold, the cheerleaders have accomplished much this 1978-79 school year. Crepe paper enthusiasm, belt buckles tied with green and gold yarn, buttons; their star spangled banners decked the halls.

The girls baked their way through two bake sales without a cookie to spare. They danced their way through a profitable Disco, and they still had enough spunk to stage the winter Athletic Banquet. With the money from the dance, the cheerleaders treated themselves to a delightful spring cookout.

1979 proved to be one of the most successful years that the Queen Anne's County High School chapter of the National Honor Society has enjoyed. Ever since the chapter began in our school, one of the main objectives had been to create a set of by-laws to govern the chapter. This was accomplished this year when a committee consisting of Cyndy Nash, Trish Hargett, Sean Russell, Joe Holt, and advisor, Mrs. Kathryn Draper, was designated by the membership. Laboring from January to June, the committee completed a set of by-laws to insure that new members as well as present members would live up to the standards expected of a National Honor Society Member.

Along with this project the Honor Society also sponsored several bake sales that went toward the annual dinner and induction ceremony. Springtime found the senior members of the Society moving from classroom to classroom in complete academic regalia to tap senior, junior, and sophomore candidates into the Society. They were formally inducted into the Society during a ceremony on May 8th, following the annual dinner. During the ceremony the traditional candlelighting ceremony took place with senior members delivering speeches on the five qualities of a member. The speeches were as follows: "Knowledge" by Cyndy Nash, "Scholarship" by Donald Dorsey, "Leadership" by Paul Shirey, "Citizenship" by Joe Holt, and "Service" by Trish Hargett.

Next year the Society hopes to initiate a tutoring system and become more active in community as well as school projects.

Academically Speaking . . .

During the past year, It's Academic has had two assemblies, one in which the sophomore team defeated the juniors and seniors; and another in which our school team competed against two other schools.

They weathered a blizzard to go to Baltimore where they were beaten by a team that frequently wins the Baltimore championship. Members of the TV team were Mark Belt, Buddy Maynard, and James Gernert.

The club took field trips to Washington, National Art Gallery and the Franklin Institute in Philadelphia. They also had their usual quota of fall, winter, and spring parties as well as bake sales to add to their scholarship fund.

For the first time in recent years, members from the Queen Anne's County Distributive Education Club did not represent our school in State and National Competition. DECA did, however, do extremely well in competitions with other Eastern Shore High Schools. The results of these competitions are below.

DECA's school year activities began with setting up and operating the school store, and having Junior students operating the Lifesaver concession stand. Other activities included our Christmas Luncheon and DECA picnic.

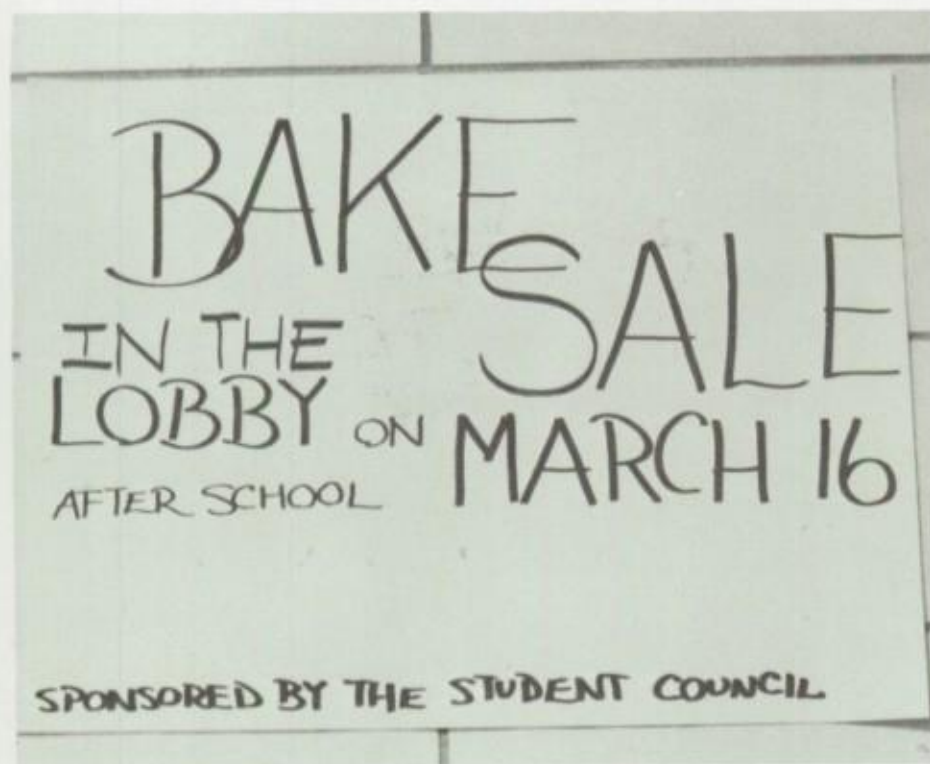

1978-79 DECA Awards: Ann Connell: 1st Place Apparel and Accessories, 1st Place Career Exploration Manual; Dee Dee Simmons: 4th Place Career Exploration Manual; Martha Larrimore: 3rd Place Finance and Credit; Lawrence Gannon: 2nd Place General Merchandising, 3rd Place Retail Sales; Lawrence Chanaud: 2nd Place Food Service; Donald Hallowell 1st Place Auto and Petroleum (Master Technician); Tyrone Meredith: 1st Place Auto and Petroleum (Owner-Mgr.).

Moving Up

The Student Council chalked up another exciting year under the guidance of Mr. Pauls. As always, their first and main project was preparing for the Homecoming activities and as usual, the festivities were all a success. Taking first place in the Homecoming parade was the class of '80, in close competition with the juniors was the class of '81, coming in second place, and capturing third place was the class of '81.

Student Council is an organization designed to help students get the most out of QACHS by scheduling various activities for the whole school. These activities include sponsoring all homecoming activities and assorted assemblies throughout the school year, along with participating in many other school related functions.

Each year, Council representatives are elected from English classes after the beginning of school. Any student at QACHS is eligible.

Student Council is indeed a very fine organization and aids greatly in supporting their fellow classmates and teachers.

Took It All!

To be on the chess team, one must have the gift of intense concentration for long periods of time as well as the devotion to hours upon hours of practice. The chess team is the only one that practices all fall and winter long for their season of less than two months.

The 1978-79 team proved to be one of the most solid and consistent in our school's history. Lead by Capt. Don Dorsey, manager Rand Havener, and reporting secretary Steve Parr, the team went on to have the best season of any team in the Eastern Shore Inter Scholastic Chess League, by winning nine of their ten matches and the league trophy. Along with the league trophy, the team was able to add five first place trophies and three second place medals at the E.S.I.S.C.L. Tournament. This brought their winnings to a total of 230 points, enough to capture the tournament trophy. Winning the E.S.I.S.C.L. Tournament designates Queen Anne's County High School as the host for the 1980 tournament and Mr. Frank Owen, QACHS chess advisor, the annual chairman of the league.

With the loss of only two seniors, the chess team hopes to have an equally successful season in the coming year.

Rand Havener, Kurt Kleis, Bobby Parr, Donald Dorsey, Bob Folker, Timmy Walbert, Gary Anderson, Mike Kendus, Steve Parr, Keith Belton, Mr. Owen.

Photogs

QACHS added another new organization this year — the Photography Club! The Photography Club members have placed in several area photography contests. Lyndon Green competed in Queen Anne's County Arts Council photo contest and received a first place prize. He also participated in the Black Arts Festival held at QACHS by taking pictures of all black businessmen in Queen Anne's County. Winning first place in the Maryland State Film Festival area contest was Paul Shirey, and coming in second place was the team of Kathy Patten and Laura Clough. Paul's theme was "Winter." Kathy and Laura's theme was "Jailhouse." The Photography Club is anxiously awaiting next year so they can get back into the "picture" of things!

Nurses Call the Shots

The Future Nurses club is a rapidly growing organization and is open to any person who would like to be a member.

Presently, the FNA are supporting a foster child from Bolivia, which is a wonderful service on their part.

This year's nurses assisted the Red Cross blood bank while students and members of the community gave blood here in the school auditorium in memory of Karen Post.

The 1978-79 officers are President, Eva Lamb; Vice President and Corresponding Secretary, Lena Coleman; Secretary, Sophia Bouldin; and treasurer, Cathy Snyder.

The nurses look forward to the new school year with eyes open wide for fulfilling their duties as QACHS Future Nurses of America.

"Moving On"

Donna Stotts, Terri Stoops, Van Clough, Michele Everett, Buddy Maynard, Jennifer Buran, Clinton Broadway, Karen Hubbard, Mark Belton, Julie Smith, Ronnie Wolfe, Kelly Boyd, Liz Clements.

The P.T.S.A. Open House on October 16 was the occasion to mark the beginning of the concert season for the QACHS Choir and Madrigal Singers. Over twenty-eight performances were presented by the two choral groups — the Madrigal Singers, consisting of thirteen singers, and the Choir of seventy-six members. Again this year, members of the Choir participated in the December 10 performance of the oratorio, "The Messiah" presented at the University of Maryland Chapel, involving 600 high school choral students and the University of Maryland Choir.

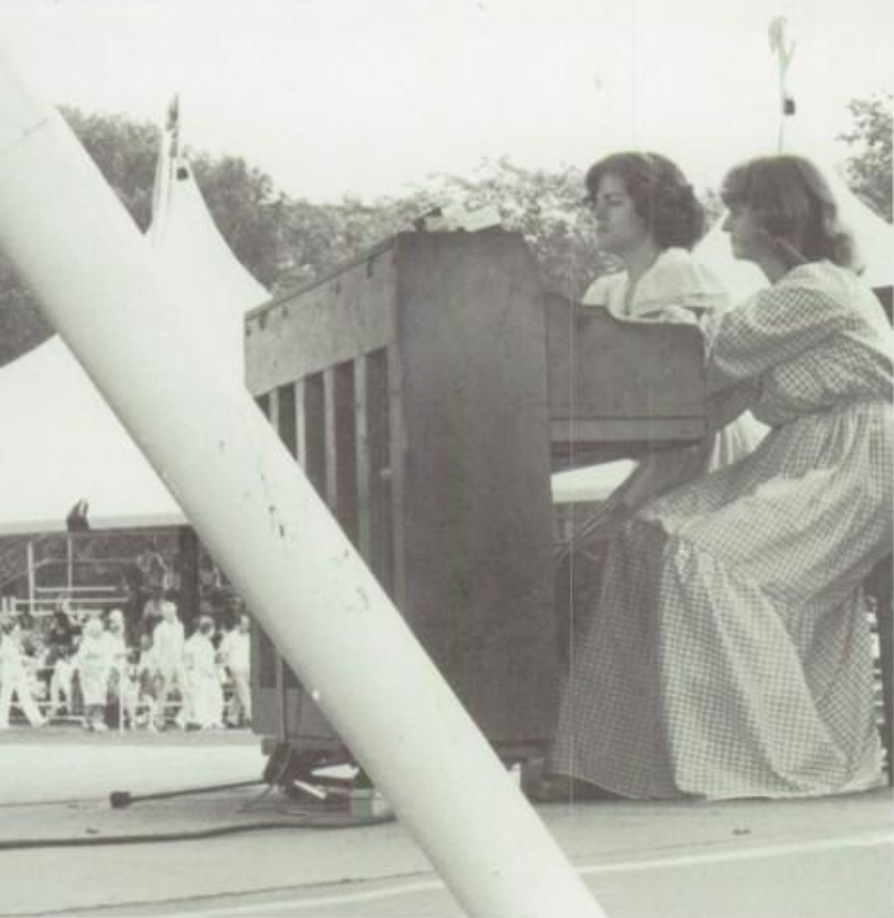

Community involvement was a primary goal of this year's choir and performances were given at Christmas time at Sudlersville Betterment Club, the Young Women's Club of Centreville, the Queen Anne's County Free Library, Corsica Hills Nursing Home, and the Candlelight Tour of Centreville (after which the Choir held their Christmas party after Christmas caroling around Centreville.)

The snows came with frequency and although the Band-Choral Winter Concert had to be postponed, the students gave an excellent performance on Thursday, March 15.

The Upper Eastern Shore Choral Festival was held here at Queen Anne's auditorium with five counties participating (Caroline, Talbot, Dorchester, Kent, and Queen Anne's). Queen Anne's Choir and Madrigal Singers received the highest scores of the festival. The Choir traveled to Annapolis this year where we participated in the Anne Arundel County Choral Festival. On May 2, Salisbury was the site of Maryland Choral Days, a two-day period where each choir singing was adjudicated and then directed by the guest clinician, Dr. George Mabry from Tennessee. After listening to several choirs from all over the state of Maryland, we travelled to Ocean City for an afternoon of fun.

Again in the spring, the Choir performed for many community events organizations including Queen Anne's Day Lecture, Corsica Hills Nursing Home Open House, Sudlersville Alumni Banquet, and the All-Star 4-H Meeting at Wye Institute.

The annual Spring Pops Concert was presented on May 24 featuring Aaron Seeney singing "Three Times a Lady" and "My Fair Lady" selections sung by the Choir. The girls in the pastel gingham dresses and the boys in gingham shirts presented a background for their singing.

The highlight of the choral year was a trip to Washington to sing at the Ellipse in front of the White House. For this performance we received a commendation from the Music Educators National Conference and a certificate signed by the President. A visit to the Washington National Cathedral, where we sang in one of the chapels, a walking tour through Georgetown, and a trip to Harlequin Dinner Theater, to see "South Pacific" were part of the activities of the day. Although the fear of a gas shortage and a leaky radiator on one of our busses could have marred the day, Mr. Clapper and Mr. Klepper nursed our crew of seventy-six safely home.

Graduation night finally came, "Better late than never" as the seniors aptly put it and twenty-eight of our choir members received their diplomas.

Our year was a success in many ways, but as our song at graduation stated, we must keep "MOVING ON" in quality and in presenting the best to our school and community in choral music.

Ah . . . Paris

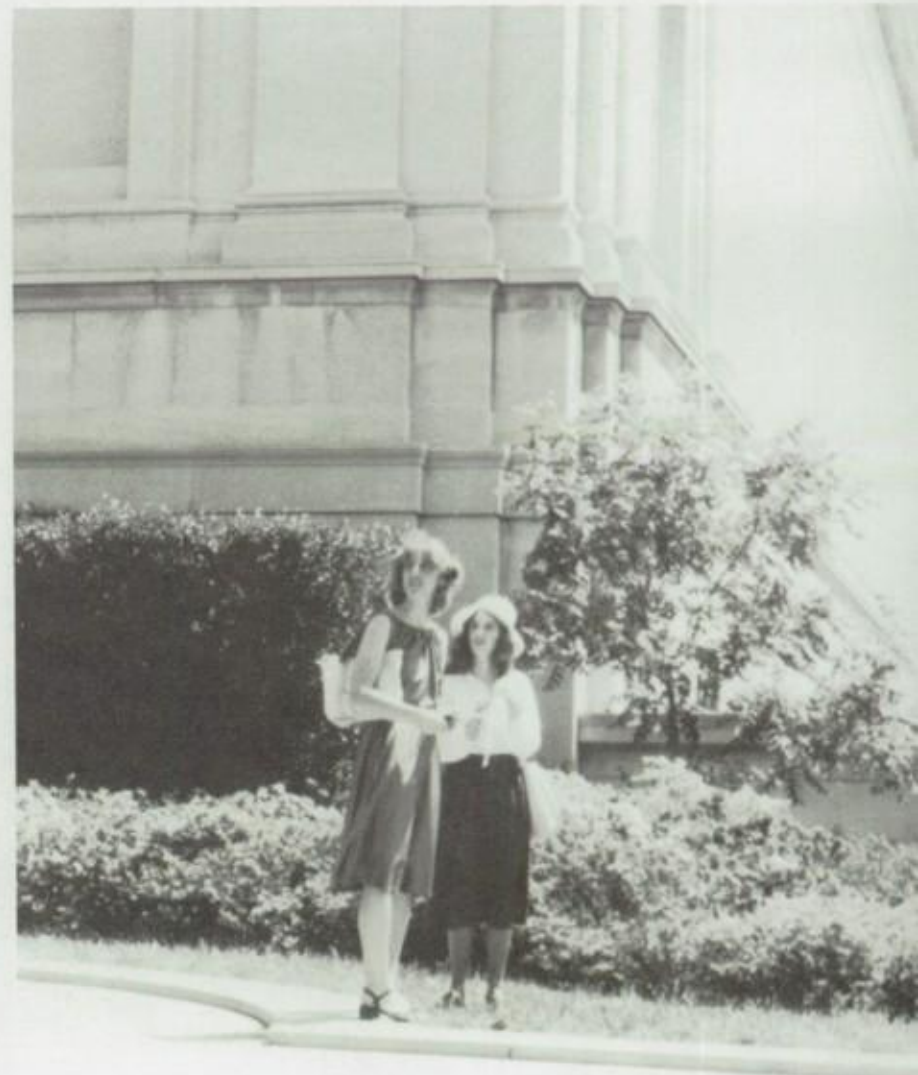

FRENCH CLUB

This year saw many new faces added to the ranks of the Queen Anne's County High School French Club.

Supported by numerous bake sales, the French Club was again able to fill the halls of Queen Anne's with the pleasant aroma of French specialties as the members cooked and tasted crepes, omelets, and other favorite dishes.

The year was highlighted by the club's annual outing to a French restaurant in Washington, and the French section of Georgetown.

Next year the club hopes to be more active within the school and to work toward the goal of seeing their French exchange program reinstated.

Sweet Victory

The Lion's football team ended its season with 2 wins and 8 losses. The first of the two wins ended a 20-game losing habit; and when Queen Anne's snaps a losing streak, they do it in style! The Lions dazzled themselves into a 40-0 shut out against the Pocomoke Warriors.

Although the 40-0 victory was a triumphant one, the win over Kent County made the entire season worthwhile: It was November 11, 1978. The Homecoming parade festivities had ended and the crowd began gathering at the stadium in hope of an exciting game — it would be the last game of the season and the last game for the seniors. The Lions gave the large and vocal crowd the game they wanted to see. They defeated Kent County 22 to 15 and to top off the victory senior George Lanman set a new school record of rushing for 1,000 yards in a single season. George received the game ball for his outstanding achievement.

The entire day was complete, and defeating the Trojans made the season somehow seem worth the hard effort that was put forth by the young energetic athletes.

Tracy, It's hard to think of what to say, but I guess I could start with the somewhat disappointing band you see here, it didn't quite turn out the way I expected anyway. It sounds like it's more fun this year, but it wouldn't really leave, thanks for the support for the football team. Don't forget Chem Spady and Mr. Owen's repetitions stories. Good luck a Maryland with Tom, you two make

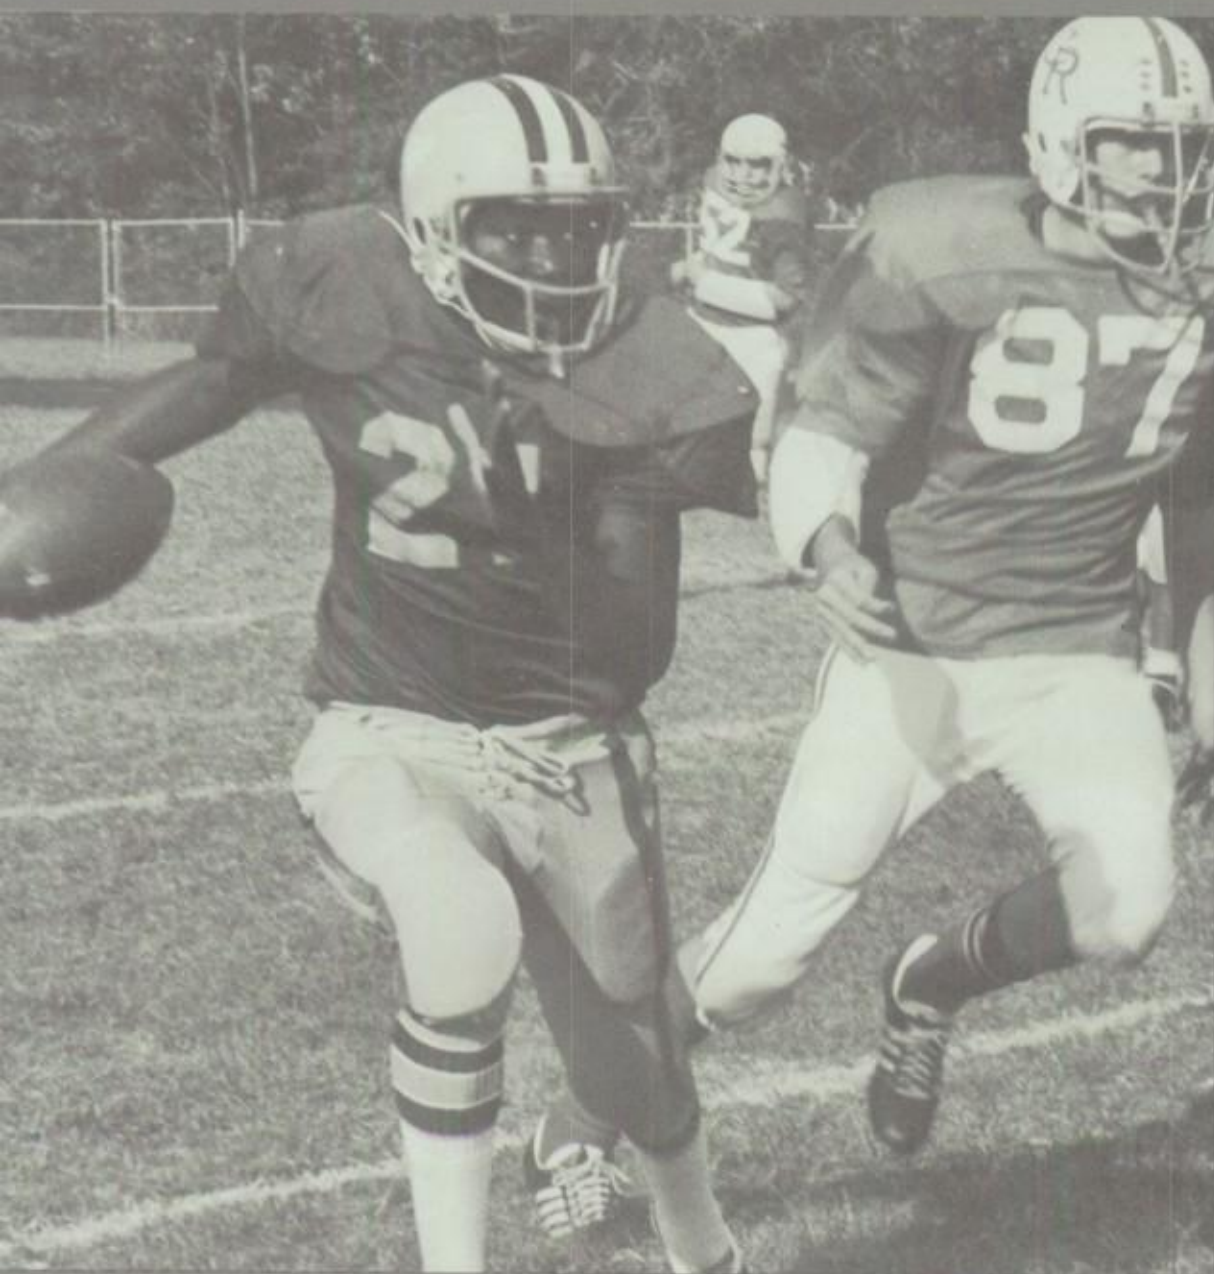

a great couple. I hope only the best for, but I'm sure you'll get it without too much trouble. ~~Remember me always.~~ Remember me always. Tracy

Good Year

The '78-'79 Field Hockey Team's record represented more than just wins and losses. It represented a young and, for the most part, inexperienced team that learned the meaning of playing as a team and what could really be accomplished by caring, believing in each other, and a lot of hard work.

Many times the defeats we had to face were ones that were very hard to accept, yet somehow we did, we learned, and we grew from them.

Our Co-Captains, Terri Morris and Peggy Dixon, provided the team leadership that we looked to and many times it was the '79 Seniors who provided the maturity and skills which set the example for the underclassmen to follow.

Our coach, Miss Nantha Arnold, was the one, however, who made it all work. She was the one who made us run thousands of sprints and play seemingly endless scrimmages, but she was also the one who came up with the brilliant strategy that kept the Easton game from becoming a complete tragedy and she was the one who never stopped caring about us as individuals, not just as a team.

The '78-'79 Field Hockey Season was a lot of fun mixed up with a lot of hard work and we hope that Miss Arnold will remember the fun, the laughs, and the '79 Seniors whenever she wears their addition to her wardrobe.

DISTRICT 7 PLAYOFFS

----------	--------	--------	---

A Big Year

Ending their regular season on October 30 with a victory over South Dorchester, the Q.A.C.H.S. Varsity Soccer Team went to Washington College to play Elkton in the District 7 Play-offs. Elkton won by a score of 4-1, leaving the Lions with a season standing of seven wins and three losses.

Leading the Lions in scoring was Ted Carlin with seven, and Bill McGuire with six. Other leading scorers were David Dawkins, Steve Halla, and Doug Iudy, while Eric Dennis led with five assists.

The only thing hurting the team were injuries and lack of speed. Some injuries that occurred were to goalie, Bob Masters, who was out for two games. Also, Vaughn Calloway was out in the latter part of the season.

What pleased the team and Coach Baird the most was coming home with a victory over St. Michaels, which prevented St. Michaels from going to the play-offs.

Queen Anne's outshot their opponents 212-103. Altogether the team scored 29 goals. Coach Baird is looking forward to another good season next year, and the State Championship.

The Varsity Soccer Team would like to thank everyone who supported them during their 1978 season.

A Rebuilding Year

The volleyball team finished the season with a 2-8 record. This was a building year for the team. They worked hard to learn and develop the overhead volley, bump and spike, and worked at developing an all-out team effort.

Leaving the team this year is a fantastic senior, Carol Wilson. She played three years and can "do it all." She will be missed, but the team wishes her much success in her future endeavors.

Newcomers, but also leaving the team, are Judi Williams and scorekeeper, Lisa Grollman.

The returning players are young, but Coach Pinkett predicts a winning season next year.

Individual Effort

Running the last lap of the 1978 season, the Q.A.C.H.S. Cross Country team finished twelfth out of twenty-three teams in the State Meet on Saturday, November 11th, at the University of Maryland, Baltimore County campus.

Before going to the State Meet, the team competed in the Bayside Conference, on November 3rd at Salisbury State College and placed sixth.

Under the direction of Coach Charles Nesbit, the team finished with a 3 win, 5 loss record for 1978.

Boys representing Q.A.C.H.S. on the varsity Cross Country team are senior, Shelton Jones, who finished sixth at Bayside and 20th at State; junior, Michael Gandee, 94th at State; junior, Bobby Johnson, 22nd at Bayside and 95th at State; sophomore, Dwayne Cantler, who finished 35th at Bayside and 106th at State; freshman, Raymond Anthony, 30th at Bayside and 102nd at State; freshman, Paul Jones, who was 41st at Bayside; Matt Kempel, sophomore, 42nd at Bayside and 142nd at State.

Running I.V. Boys' Cross Country were junior, Kevin Rochester, placing 22nd at Bayside; and freshman, Lawrence Demby, with an 8th place at Bayside and 129th at State.

Q.A.C.H.S. Girls' Cross Country team members are Karen Thomas, a freshman, who won a medal at Bayside for a 2nd place finish and a ribbon for her 26th place at State Meet; sophomore, Nancy Baker, who also earned a medal for a 5th place finish at the Bayside Conference and a ribbon for a 34th place at State; and Lori Maynard, freshman, who finished 7th at Bayside and 48th in State. These girls competed and placed out of 77 runners in the State Competition.

Next Year . . .

Although the basketball team finished their season with a disappointing 6 wins and 12 losses, the season was not a total loss.

There is one game in particular that highlighted the season and proved that the team had what it took to win. The Lions were at a home-court advantage over the powerful Easton Warriors and the game apparently belonged to Queen Anne's all the way. Not only were the Lions victorious over the Warriors, they did it in an impressive 74 to 55 fashion. The win was said to be the biggest upset of the Bayside Conference North Division season!

Losing the majority of basketball players to graduation, Coach Ray Gandee will have before him next season an upcoming JV team who this year posted a 9-8 season.

A Good Effort

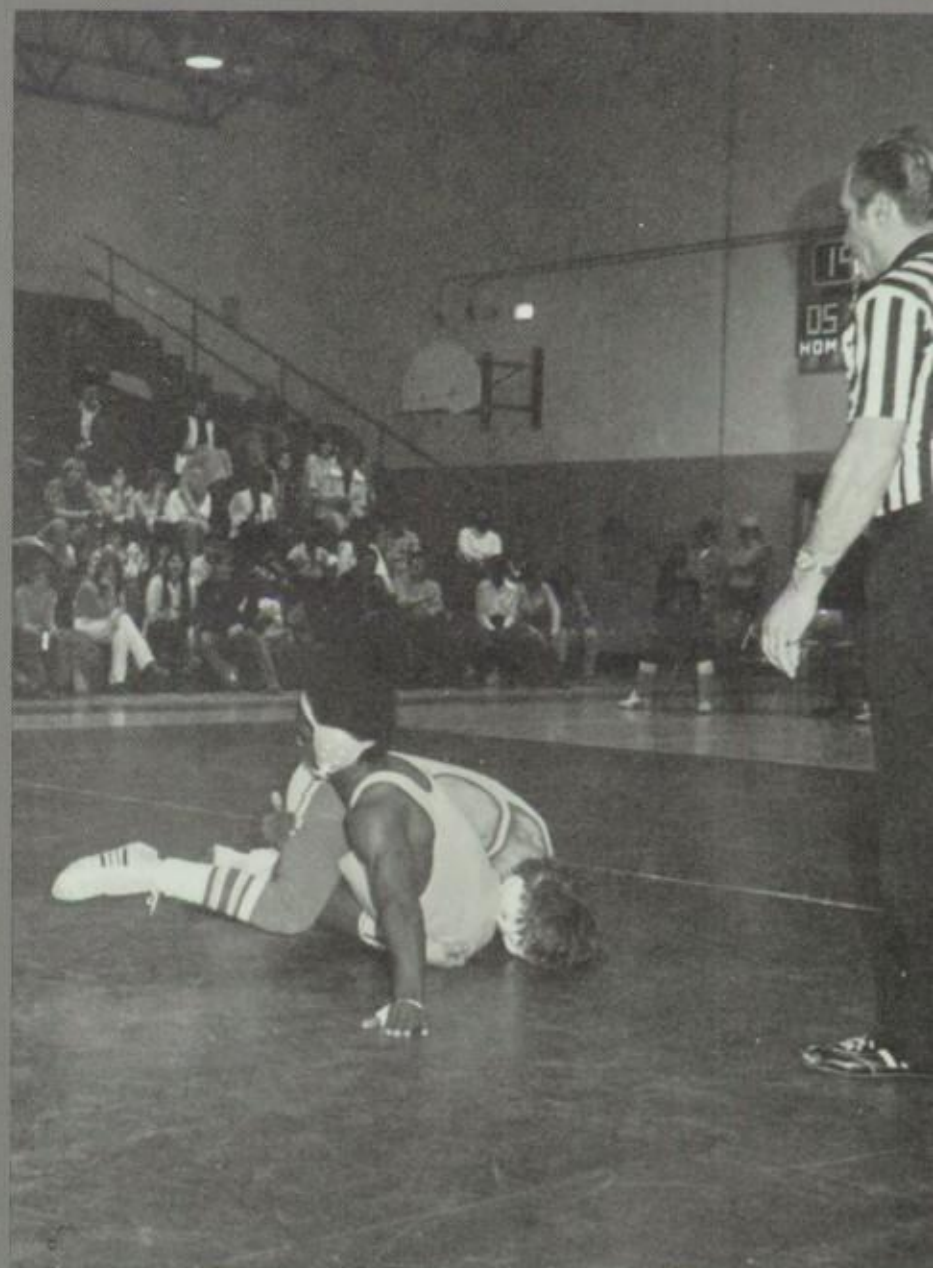

This year's J.V. Basketball team ended the season with a 9-8 record. The season was highlighted by defeating Cambridge-South Dorchester twice. Leading scorers for the team were Billy Masters and Keith Stewart, both averaging in double figures. The leading rebounder was Keith Stewart. This year's J.V. should be a great help to the varsity in the 1980 season.

The 1979 QACHS Wrestling Team ended its season with a record of nine wins, no losses, and two ties, making them the Bayside Champions.

In post-season play QACHS journeyed to Parkside High School for the district playoffs. We placed second, losing to Parkside High School by a score of 79½ to 79.

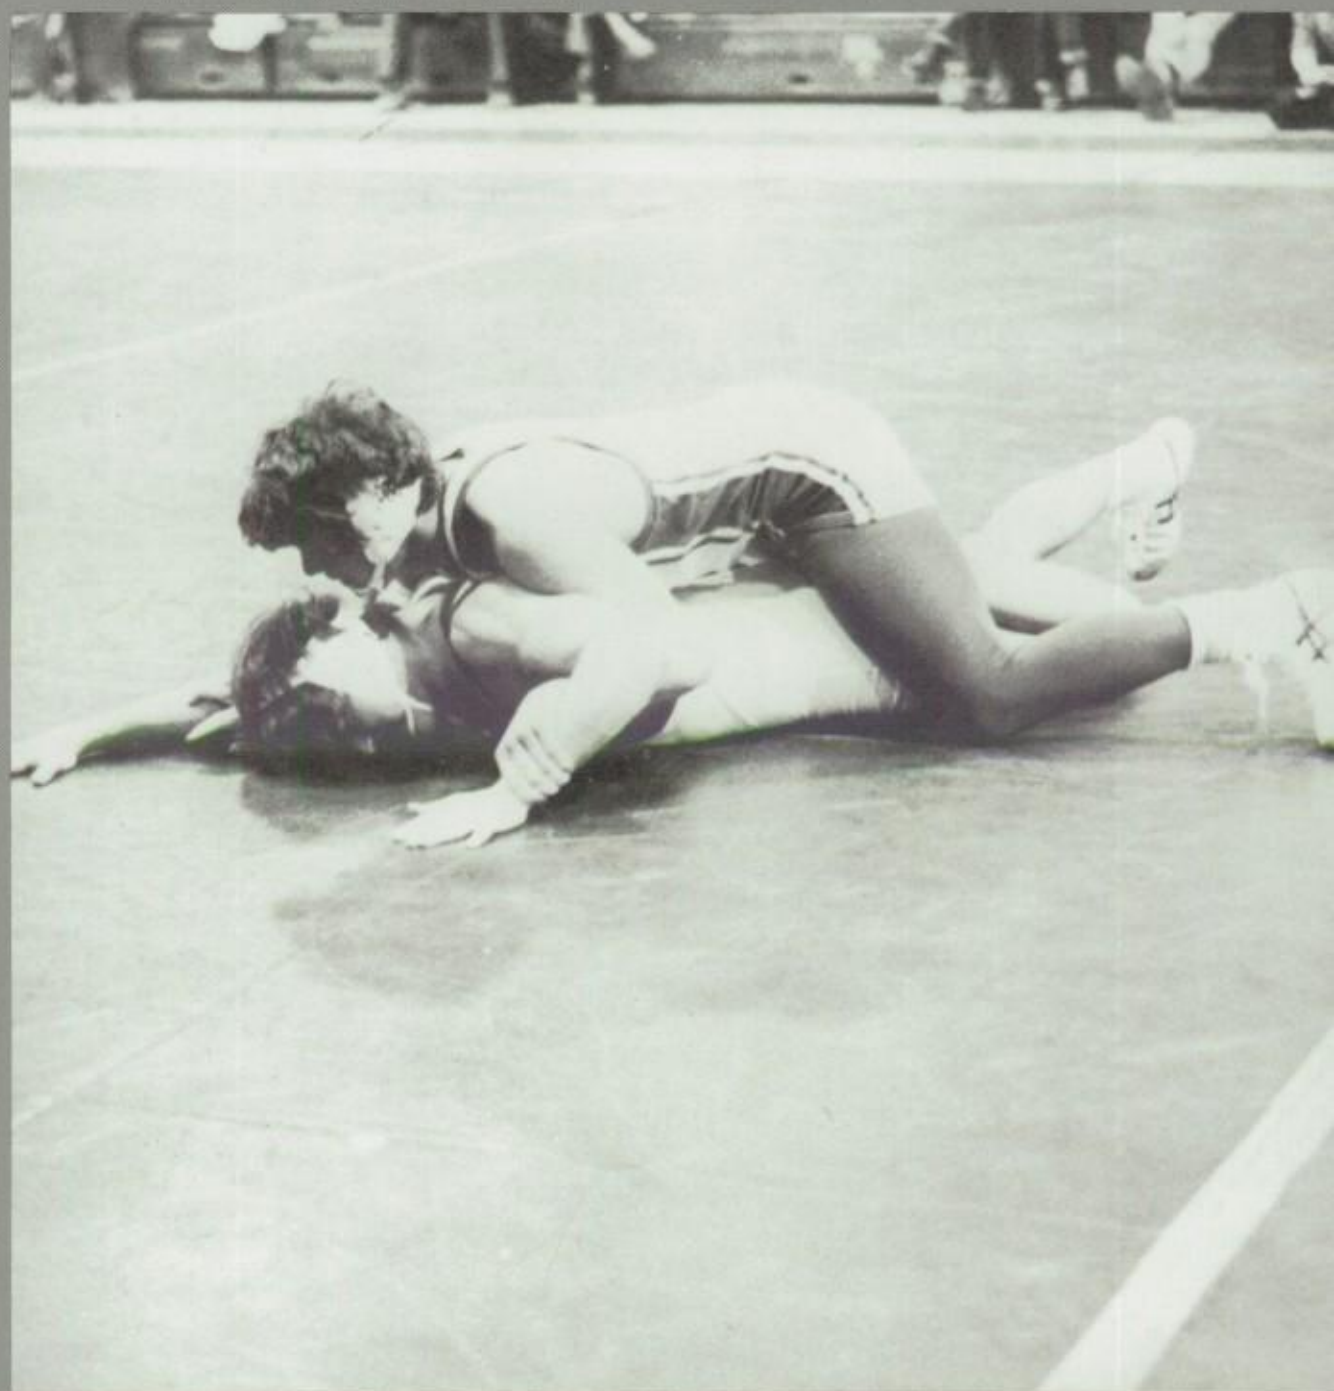

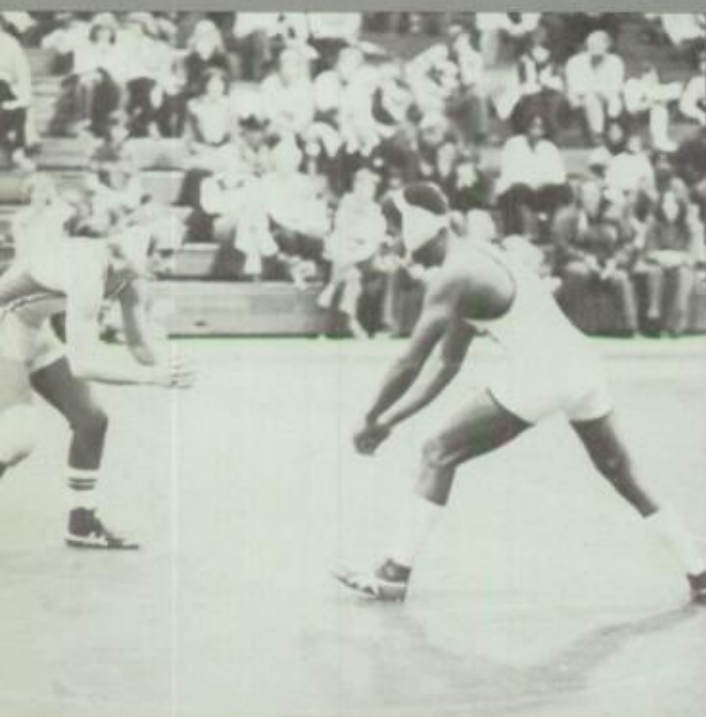

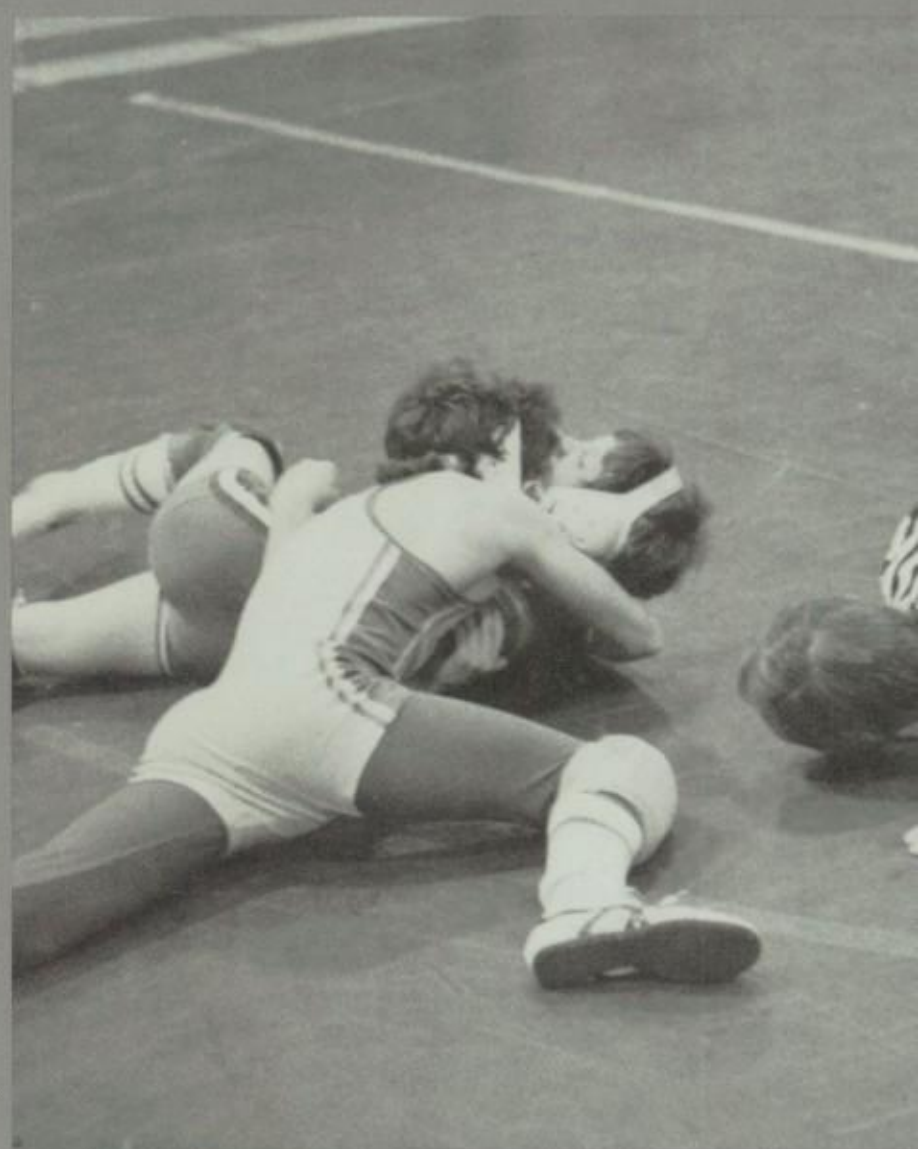

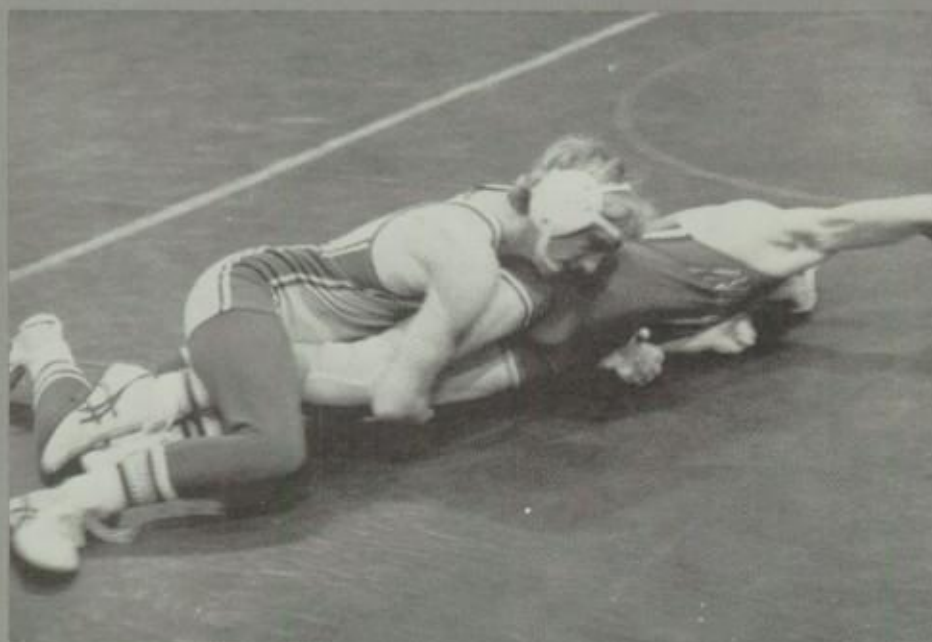

After the districts, we had six boys represent QACHS at the regional level. They were Greg Elliott, Mark Eck, Tom Boyd, Barry Campbell, Robbie Higgs, and David Glasgow. Two boys, Mark Eck and Tom Boyd, advanced to the state playoffs. Tom Boyd was defeated in the first round. Mark Eck won the first round, but was defeated in the second round.

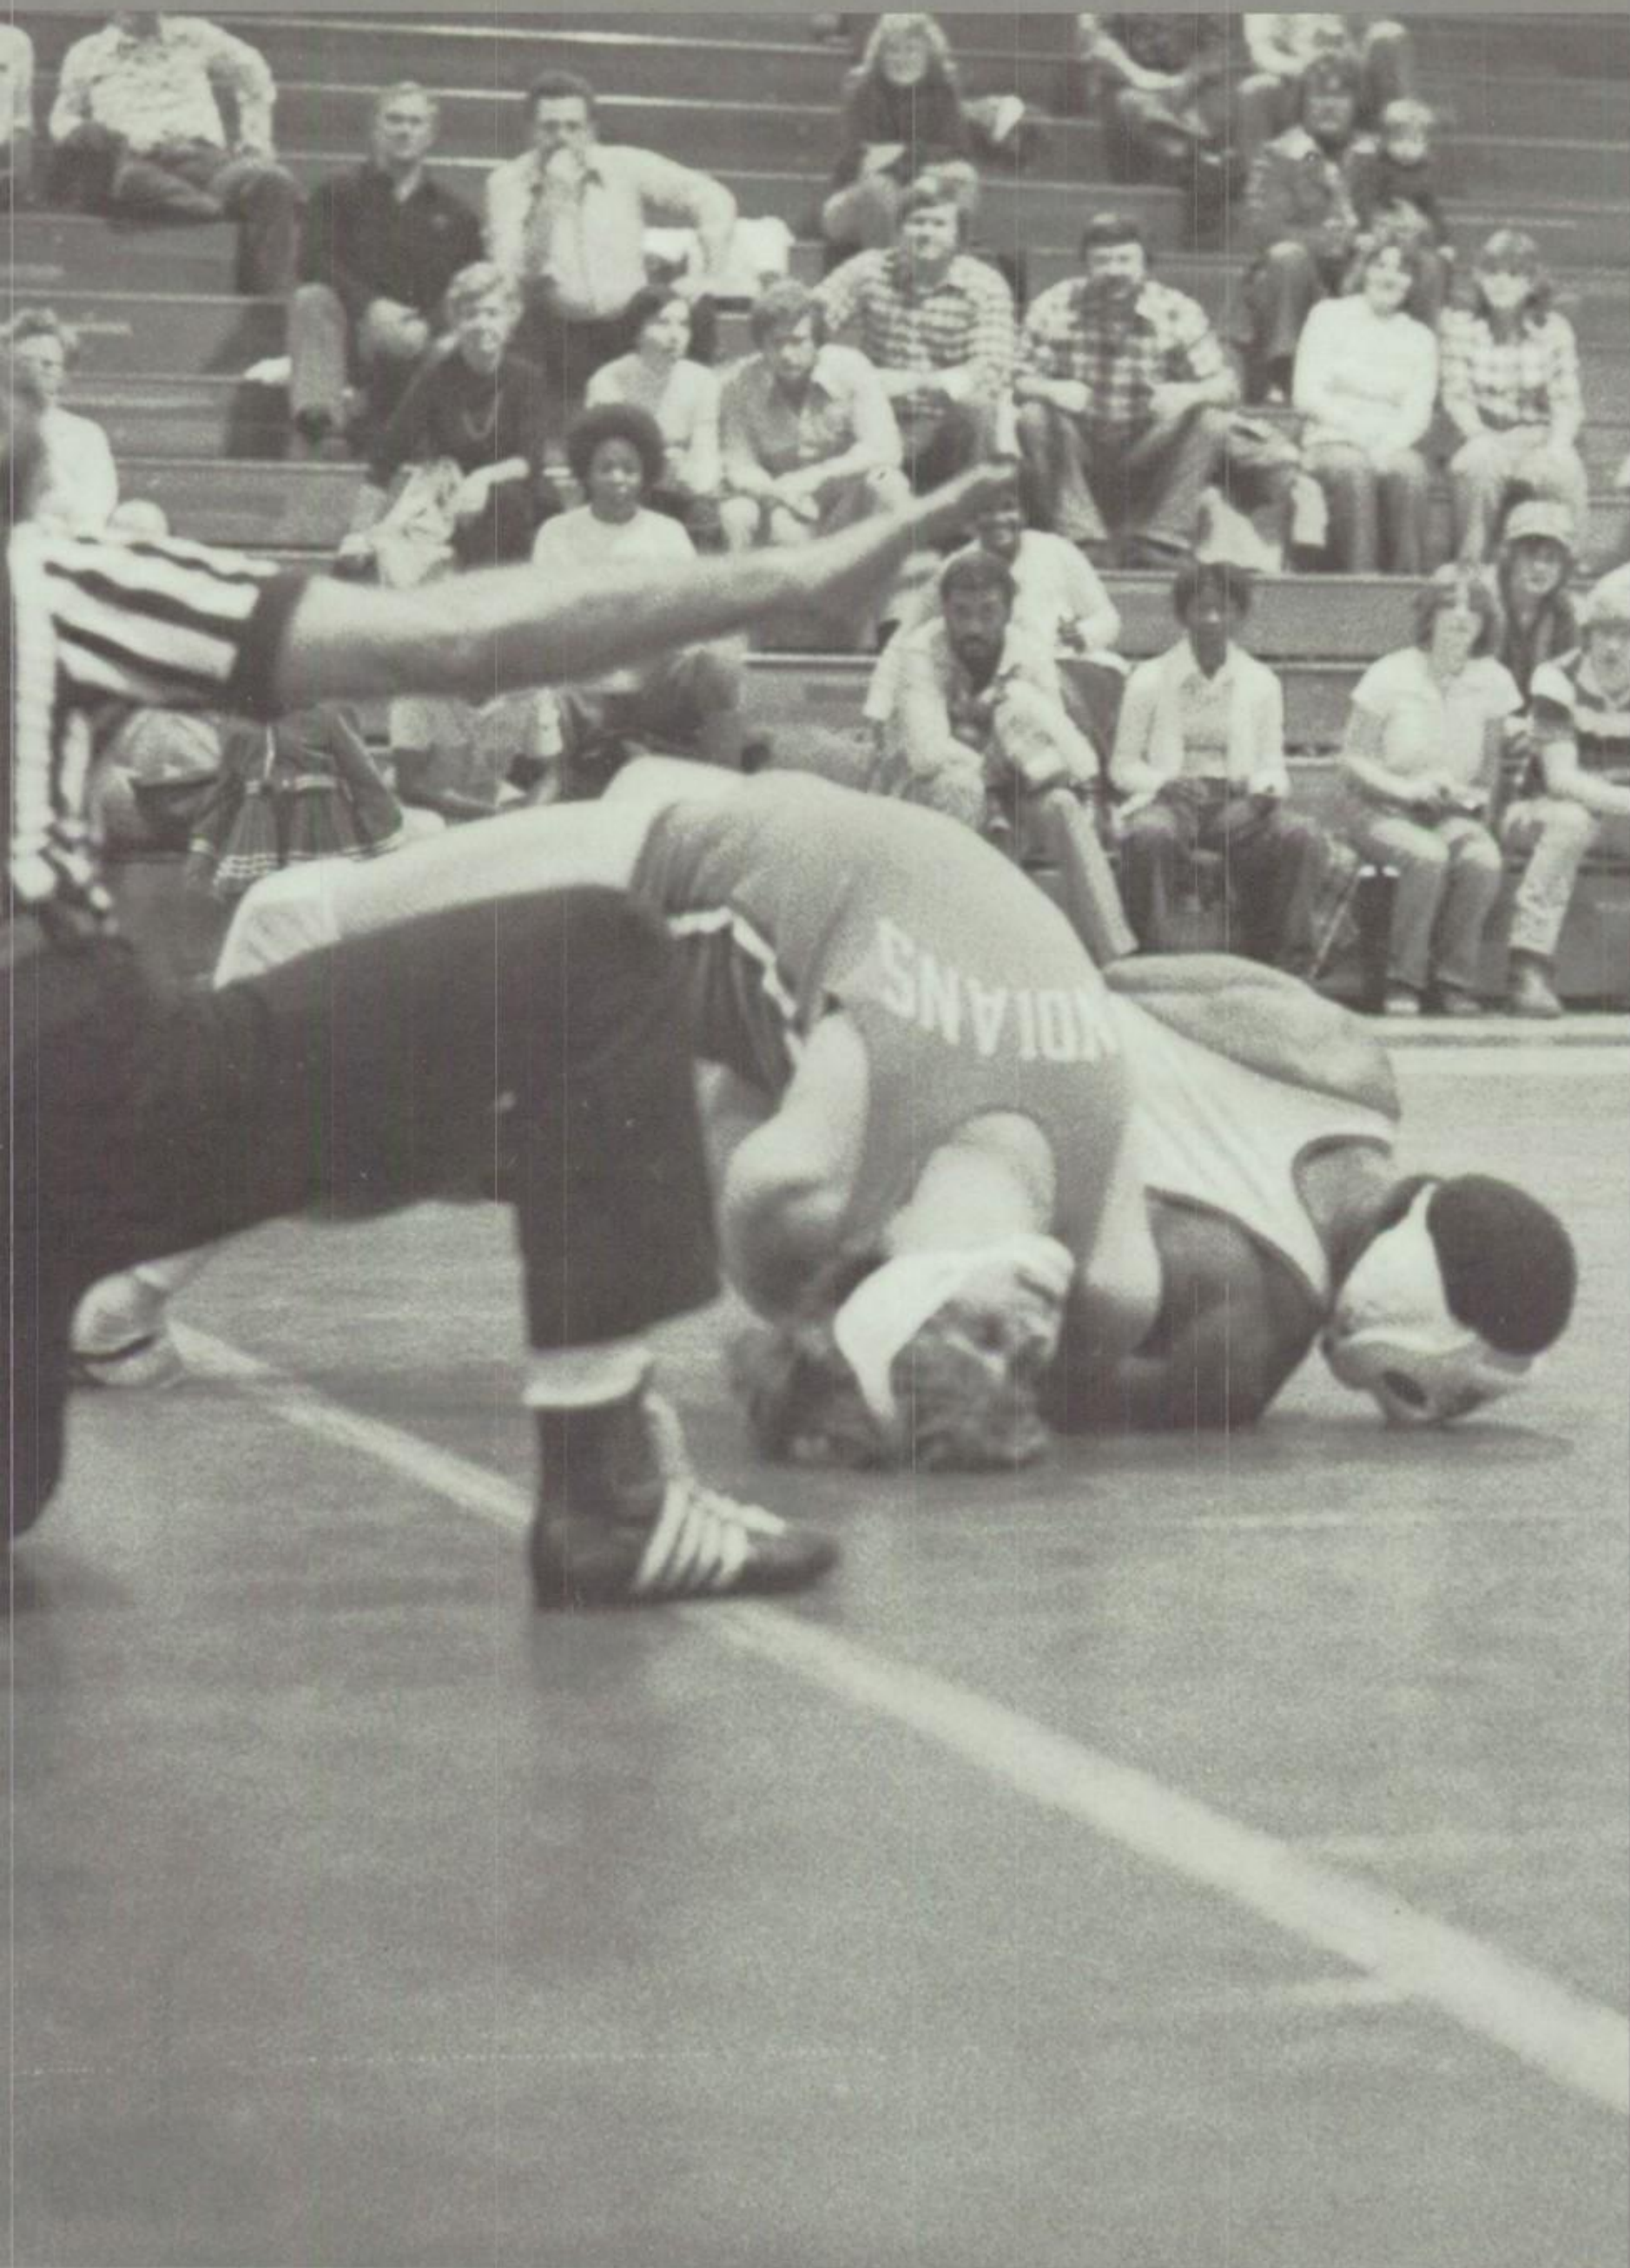

The Lions held their banquet on March 15, 1979, in the cafeteria. At that time, the team awarded Coach Schipul with a plaque thanking him for his "time and patience." Assistant Coach Carlo also received a plaque.

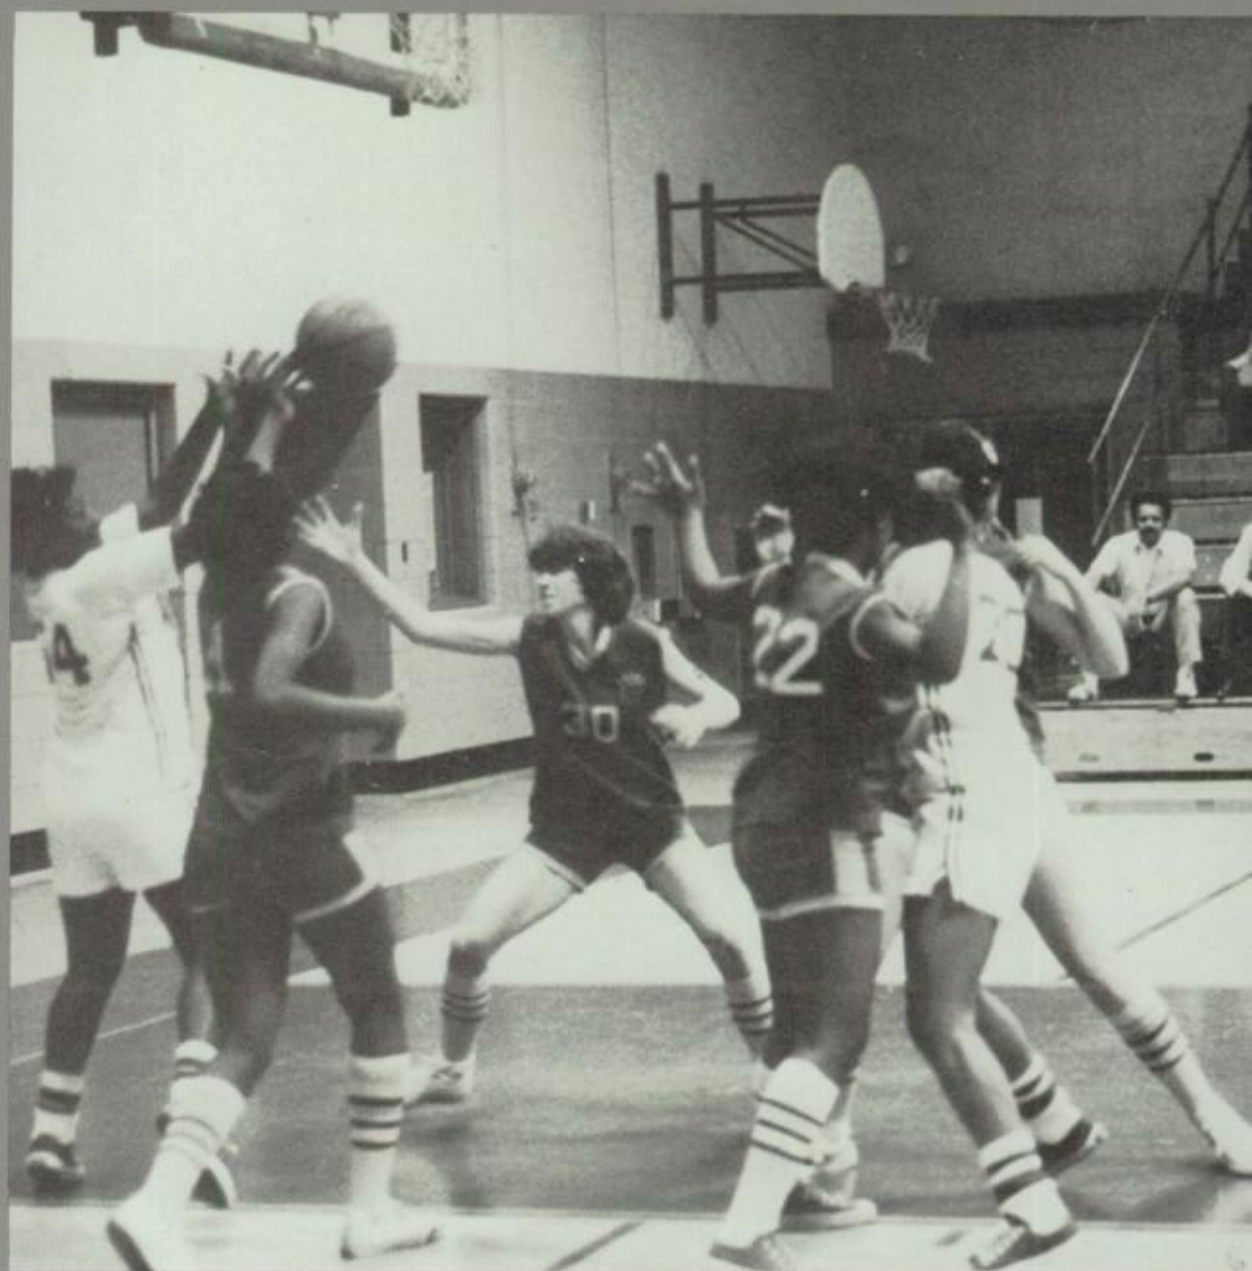

Coach Schipul awarded trophies to honor four outstanding members of the team. Winning the award for most pins was Tom Boyd; for Unsung Hero, Bob Moyer; for most improved wrestler, Barry Campbell; and last but not least, the most outstanding wrestler, Mark Eck.

The team would like to thank Coach Schipul and Coach Carlo for all their help in making the 1978-1979 Lions Wrestling Team the 1979 Bayside Champions.

This year's season began like all seasons, trying to introduce and improve on individual skills and techniques necessary to provide a team for their opponents. Because of the weather, conditioning was slow. Before the team knew it, Broadmeadow was their first opponent and they defeated them 11 to 3. From there they kept working hard to improve their offense and defense and wound up with an 8 and 1 record.

They accomplished this record with a relatively young team; in that, only two of their players were seniors. Barring any pre-season injuries next year, they look as good for the 1980 season as they did this year.

Robert Campbell, who has been coaching for twelve years, is extremely happy that there is now a very successful youth lacrosse league. He feels this will certainly have an influence on the teams in the future.

Lacrosse is the second fastest growing sport in the country, and it is their intent to keep it growing both in the state of Maryland and most specifically on the Eastern Shore.

To all of the players, statisticians, ball girls, and loyal supporters, Coach Campbell would simply like to say, "Thank you, and may the game of lacrosse always provide for you the excitement and enjoyment it has given me."

In a season marked sharply with injuries, the softball team pulled through with a record of 8 wins and 5 losses. The first of five injuries came before the season even opened as both Terri Morris and Connie Skinner sprained their ankle. Next on the list of the wounded was Dawn Loetz who suffered a broken nose in pre-game warm-up against Cambridge-South Dorchester. And as if this wasn't enough, two more were lost in a game with Colonel Richardson as Karen Motichka dislocated her thumb and Carol Wilson was hit in the eye with a line drive. Following this string of injuries, the team lost two in a row before bouncing back to the winning track. Perhaps the best game of the season came on May 15 against St. Michael's as we posted a 10-0 shut out, playing flawlessly in the field and punching base hits at will. Hopes were high for post season play but the injuries were just too much to overcome.

As a team, we batted .297 for the season, scored 128 runs, recorded 126 hits, stole 55 bases, and hit 23 doubles and 11 triples. Individually, Jenny Seltzer had the highest average (.381) and also had 14 RBE's as did Terri Morris. On the base paths, Jenny Seltzer and Chris Flowers lead the way in stolen bases (10 and 9 respectively). Chris Flowers also scored the most runs (20) and received the most walks (6). Carol Wilson recorded the most hits (17), while serving as the team's pitching ace, winning 8 while losing only 2. In the process, Wilson struck out 56 while walking a mere 38 and had an ERA of 3.1.

The squad loses five players this year due to graduation: Vernette Alsop, Kim Honeycutt, Dawn Loetz, Terri Morris, and Carol Wilson. Looking ahead to next year, it will be hard to replace these seniors, but with this year's underclassmen and new recruits next year, the 1980 season holds promise for the team.

Netters Finish Strong

The tennis team enjoyed a successful season this year, with the men's record being 11 and 3, and the women's record being 8 and 6. During the season, several players came away with excellent records. Leading the way was Troy Lowman 10-3 in men's singles, Mark Belton 10-3 in mixed doubles, Bill Dittrich 10-4 in men's doubles, Linda Davidson 9-5 in women's singles, Eve Horney 11-3 in mixed doubles, and Holly Mason 8-6, in women's doubles.

The tennis team captured first place in the District Tournament, taking first place with a total of 16 points. Point winners were: Troy Lowman 4, Linda Davidson 4, Mark Belton and Eve Horney 3, Keith Belton and Julie McKenzie 2, Curt Lowman and Clyde Davis 2, and Holly Mason with 1.

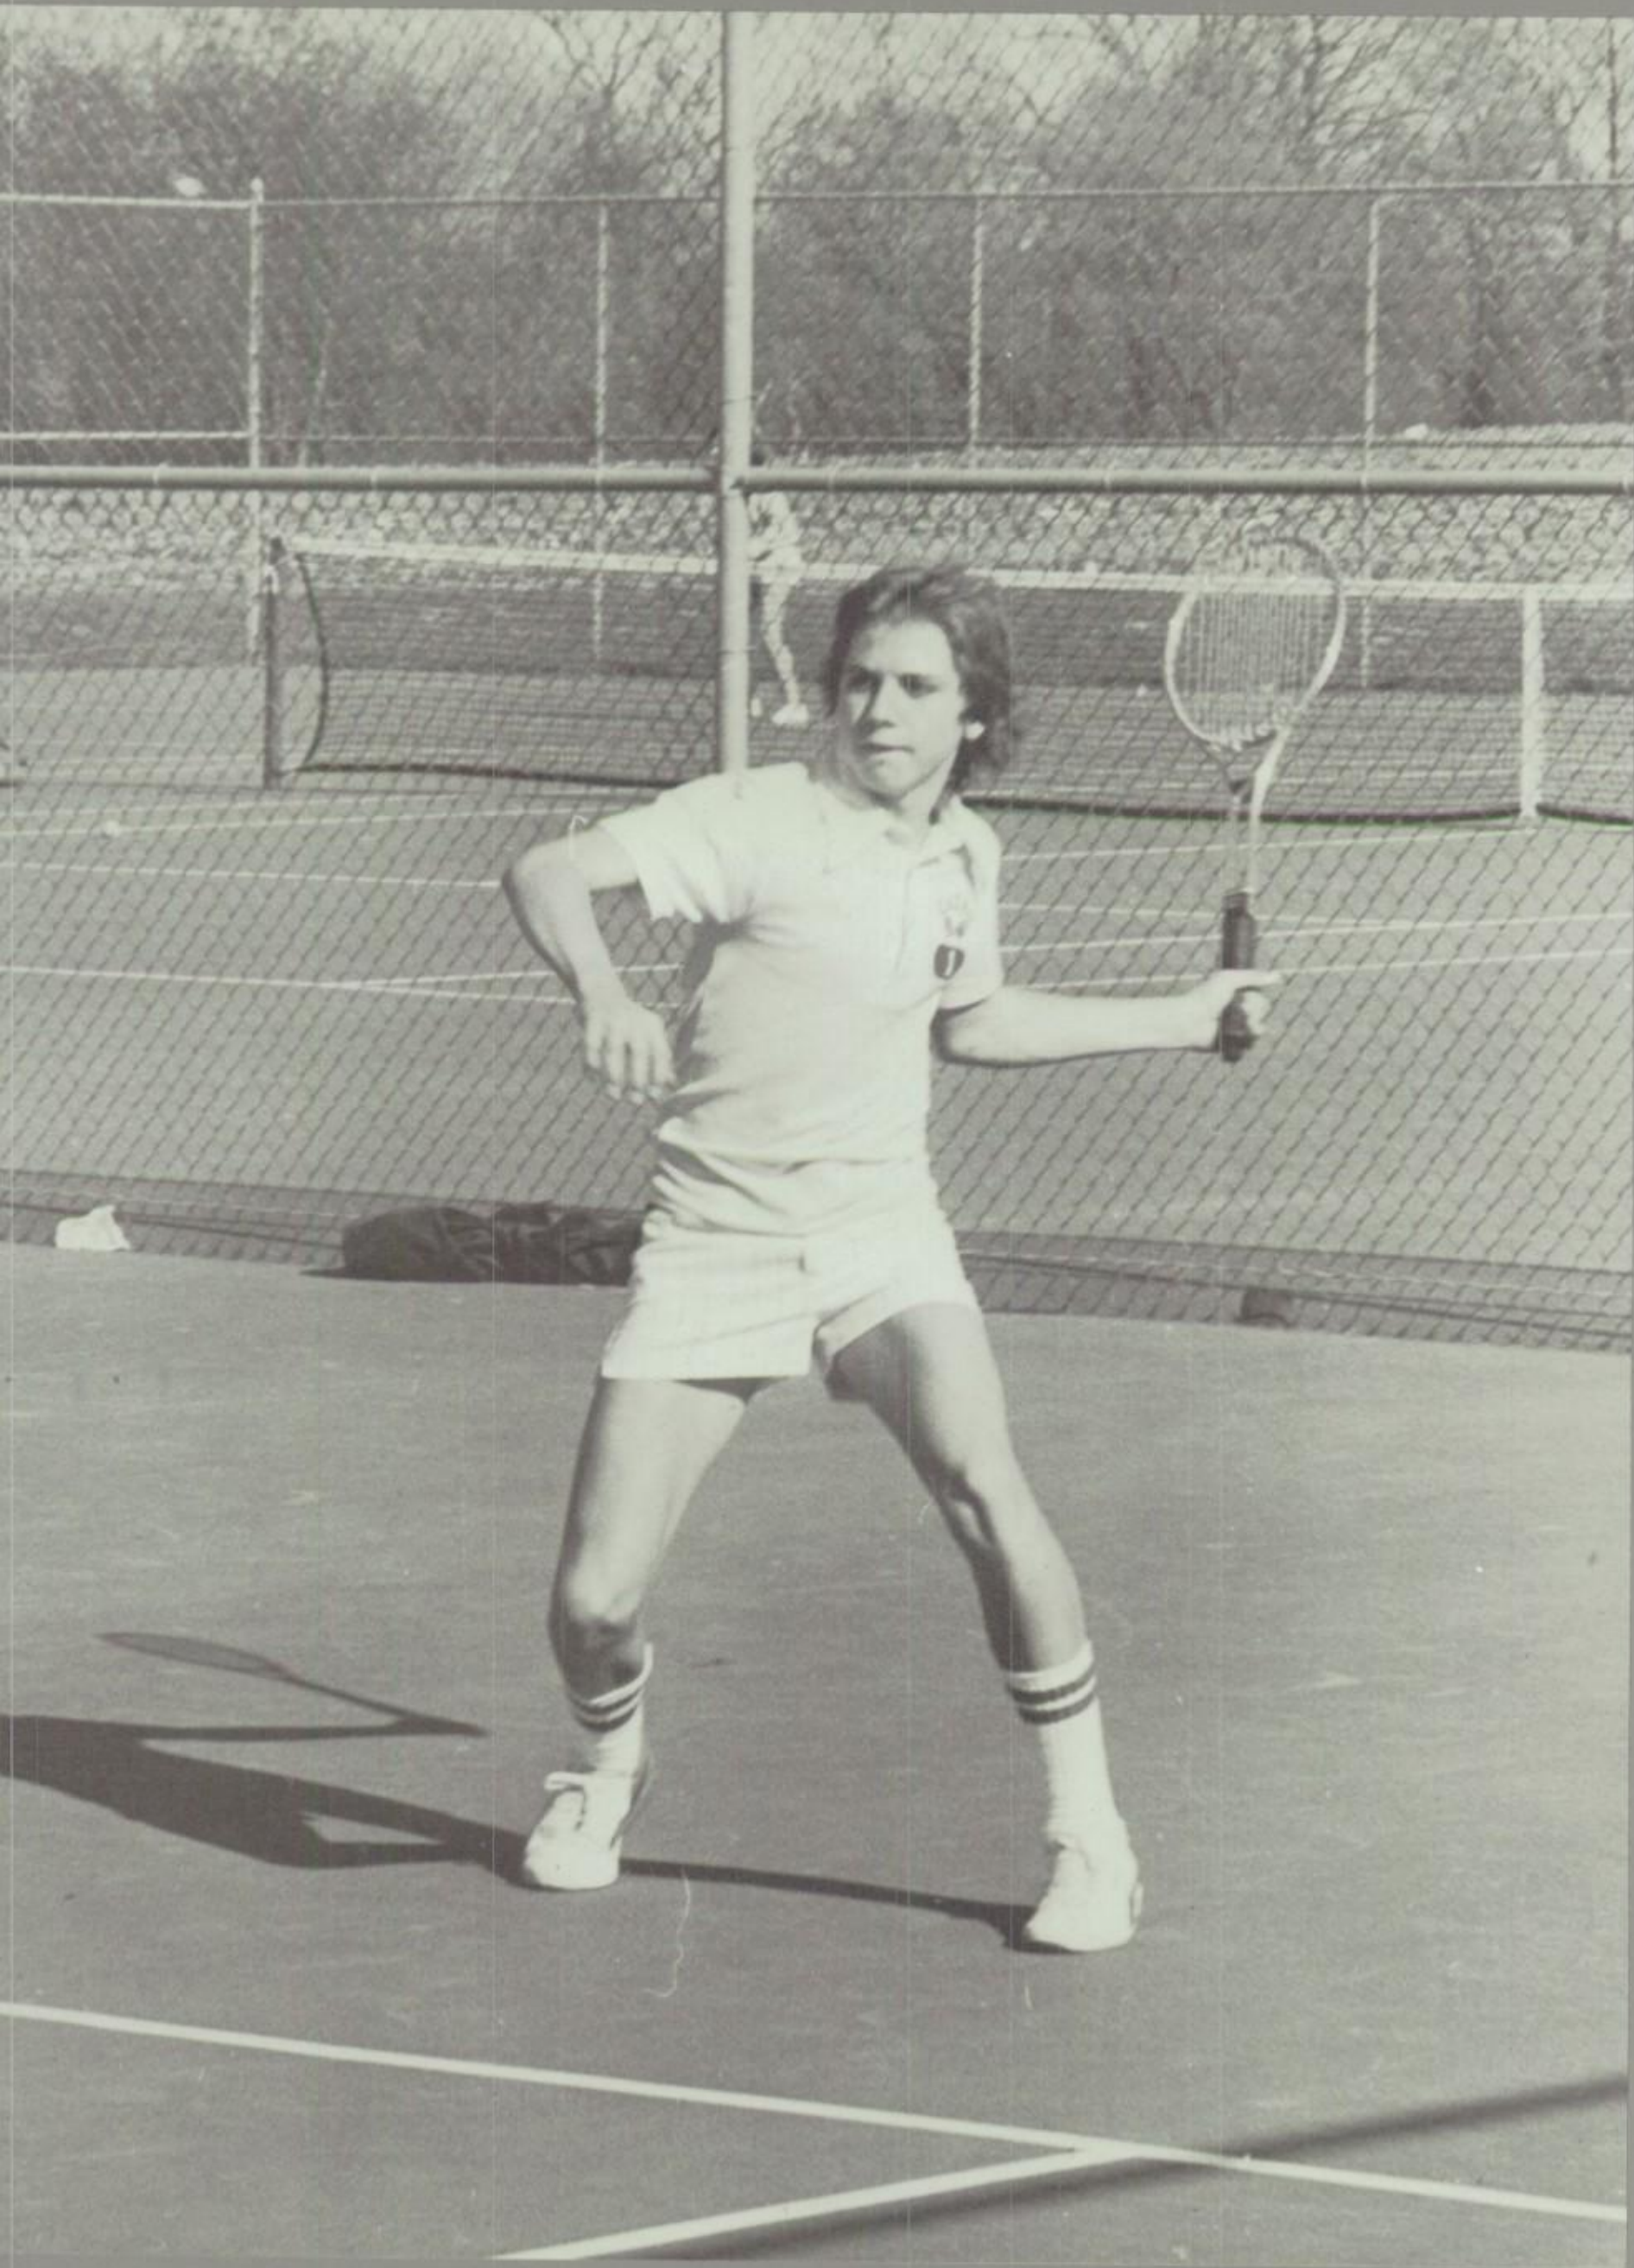

Troy Lowman and Linda Davidson took first place honors in the men's and women's singles respectively, while Mark Belton and Eve Horney took second place in the mixed doubles. Curt Lowman and Clyde Davis placed 4th in men's doubles, and Keith Belton

The 1979 Lions Baseball Team ended their regular season play with a victory over Colonel Richardson. This left them with a 12-2 record.

This year's team was led in hitting by Tom Boyd whose batting average was .659.

In the Bayside play-off game, the Lions put forth a great effort but were defeated by WiHi by a score of 5-4. This left them runner-up in the bayside division.

The J.V. Baseball team also had a great season with a record of 8-0. The J.V.'s are an up and coming team.

This was the first year for a separate track team for girls at Queen Anne's County High School. As described by the girls' track coach Miss Pinkett, this year has been mostly for "technique and experience."

Even though it was a learning year, the girls fared very well by defeating Kent and Cambridge-South Dorchester, and losing to North Caroline and Parkside. Also this year the girls placed sixth in an invitational meet at North Caroline and placed sixth in the Bayside Conference Meet.

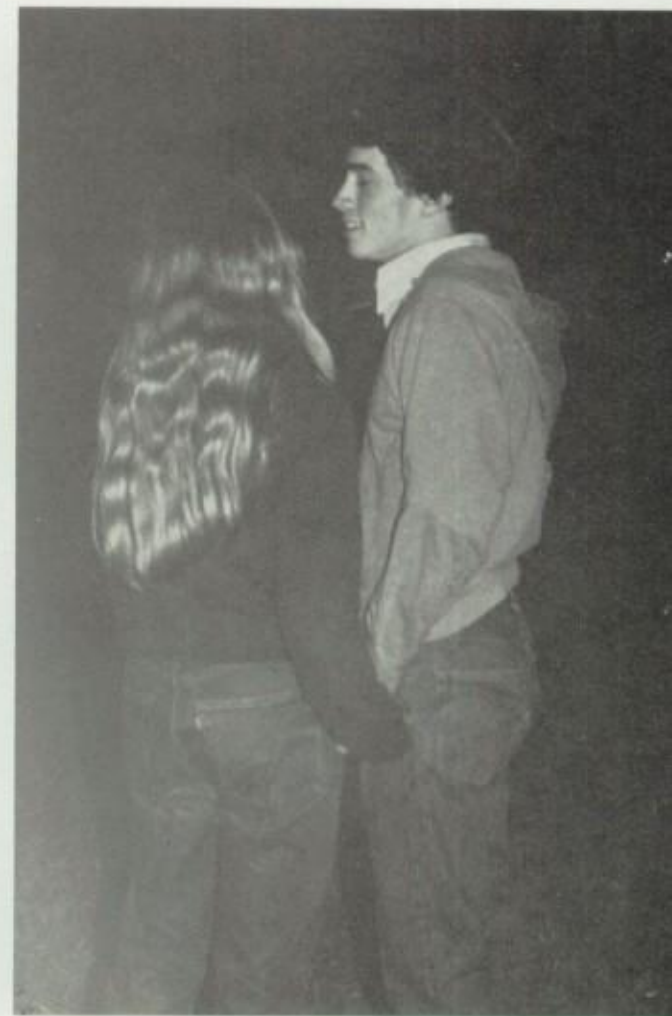

The team is comprised entirely of freshmen and sophomores, which means the entire team will be eligible to compete again next year. Leading the team are co-captains Kay Freeman and Nancy Baker. Other members include Eva DiGiovine, Felicia Kennedy, Karen Thomas (who placed second in the long jump at the Bayside Meet as a freshman), Shelia Bratton, Cathy Coleman, Lori Maynard, Beth Barcus, Valerie Pease, Marsha Wharton, Vana Wilmore, Debbie Price, and Denise Rayfield. Sharon Vantassel is the manager and scorer.

The team is small; however, Miss Pinkett is hoping to have about twenty-five members on the team next year. Many individuals have excelled in different areas such as Lori Maynard in the hurdles. The group also has a good 440 relay team, which placed fourth in the Bayside Meet, but a lack of depth seems to leave the girls a little short sometimes in the points column. Miss Pinkett is hoping she can interest girls to compete in the shot put, long-distance running, hurdles, and the high jump for next year.

 a bad time even though we laughed about it.

Actually there was nothing funny
 about two Sarah's running up
 and down 213. I guess it was
 good it happened.

Tracy,
Well, we sure
do go back along
way. (back to our cribs!)
We've been through a
hell of alot together and
sometimes we probably couldn't
have made it without each other.
Some of the times we could have done great
and the other years our friendship has drifted
out. Over the years but hopefully we will always keep
far apart but Tracy, even though we aren't
in touch! Tracy, as we use to be, you
as close as always feel free to come
can always catch me up on
and talk about the news
or to about you

QUEEN ANNE'S COUN HIGH SCHOOL

and Tom
know that
you will succeed
because you are a
striver. Good luck in
college and in your future
endeavors

...y, I didn't get to know you, really, until this year. I guess it's because Tom and Lawrence aren't here.

Remember all the hard work and "seriousness" in band.

Thank you for the rides home. I really appreciate it.

Good luck with everything you do.

Take care
Love, Jenny.

Class of 79

As we look back over these last four years, we as a class have experienced many successes as well as many disappointments. We have grown and matured throughout these years in a way that will enable us to go out into the world and achieve much from life.

As freshmen we started off the year in a big way by placing our replica of the Declaration of Independence third in the Homecoming parade. This same size-winning float was entered in the Centreville Bicentennial Christmas parade, which was highlighted by the appearance of the Old Guard Fife and drum corps. Early spring found the class sponsoring several fund raisers aimed at the next homecoming float and the ever-anticipated prom year.

As sophomores our "Decade of Pride" float placed second in the Homecoming parade. Our second accomplishment of the year was a dance in October which featured "Drawbridge" and was very helpful in boosting our bank account and spirits. We also had our share of bakesales inside and out of school, along with a car wash and flea market that also helped add more funds to our treasury.

Our junior year was a very busy and successful one for the Class of 79. After many nights of work and fun, our '79 Lion brought first place home to the Class of '79. Our next event was a dance held Sept. 23rd that featured "Winter Sunn". It was a great success and helped to finance our float and prom. Though we didn't win, we had a lot of fun and showed a lot of spirit and enthusiasm as we participated in the class volleyball competition. However, the class play competition found the Class of '79 placing second with "Itchin' to get Hitched". Major construction on the prom began in January. Two nights a week and Sunday afternoons were used to work on the prom. By Friday May 19th the animals and other decorations were ready to be moved into the gym and by 2:30 Saturday afternoon May 20th, our "Carousel" was no longer a dream. As the year drew to a close we said farewell to the class of '78, turned our newly arrived rings and assumed the title of "SENIORS".

Our senior year started on a high note with another second place finish in the Homecoming parade with our airplane that was flown by a Lion. The theme was "The Lions are flying high cause the trojans are gonna die". November found the seniors representing candidates in the high school's second mock election. The highlight of which was an assembly with a convention like atmosphere that gave our class another chance to show our spirit. As tradition holds, the Senior class sponsored the Christmas dance which was a great success and fun time for all who attended. The rest of the winter and early spring found seniors making final decisions on careers, college and their futures. In spring we found ourselves very disappointed in not placing in the Class play competition but still had a lot of fun in all the long rehearsals. Things looked up later in the Spirit week competitions and the Class volleyball competitions. Spirit week proved that '79 was the last of the best and the Class play competition proved that we could work together as we captured first place in the co-ed match. As May rolled by we attended the Senior prom which signifies that graduation can only be days ahead, but due to a state law and all the school days missed, the days turned into weeks and extended our graduation date ahead by about a week. So the Class of '79 became the last senior class to graduate in the State of Maryland.

As we look back on "four of the best years of our lives," we can't help but say "thanks" to all the faculty, administration, our friends that we leave behind, our parents and grandparents that helped make this last four years so special and memorable to us all.

Tracy, Kelly
To a really
nice guy whom
I've known for a
long time. Remember
all the fun we had
through the years in
school - especially in Mr.
Owen's classes. I wish you
the best of luck and much
success in the future. Continue
to strive for the best. Keep in touch
P.S. Always remember
the happy times

Don't even ask me why I signed here - force of habit I guess. Well both of us are going to look cocky in our senior pictures because of the girl at Hutzler's. At least I won't be the only one. Remember all the good times we've had, despite my lung cancer. Like at the prom and the class float. Us crazy alcoholics. Oh well, we all can't be saints. We were both mathematical wizzes in Geometry - but you're traveling down the H.O. road all by your self this year in Calculus.

What can I say: Ms. Dean scared me in ninth grade when she told me that when people get to a certain level of intelligence, they go mental retarded. So, I look at my C level (Get it - sea level) in Calculus as not pushing myself retarded. If all this isn't coming across right, please check the number - and dial again... beep! again... beep! again... beep! etc.

Now seriously, I consider us the closest of friends, and I wish you all the possible success in the world. We've had some really good talks about really "deep" subjects - I just can't talk about with anyone. You're a real special person to everyone, and a joy to be around" - (Ms. Hollis).

I wish you all the best wherever you go. I'd really love you to be at Univ. of Delaware next year, but more important than that is that you are happy wherever you go. I really believe that you will be one of the most successful people in our class, because you have common sense above all. I really admire you also

because you really think how you want to, regardless of how all the other assholes feel - and they are assholes, because they say what they think you want to be told. You're a really special friend, and don't worry about us ever losing touch, we won't. You're a lot of fun and can enjoy my sense of humor. I had a really great time with your dad you and Dottie at Univ. of Delaware. We really need to get together again. Our minds are in the "right click" with each other - unmatched by anyone else's. (My explanation for when people don't laugh at my jokes). Best and sincere wishes for your future, always and forever. Take it easy.

During the fall of 1979 the athletic program added a new sport to its roster - GOLF. A team, under the direction of interim golf coach, Mrs. Nancy Cook, entered into competition with ten other schools on the Eastern Shore.

During the months of September and October, the boys practiced daily to qualify for the first, second, third, and fourth team positions for the golf matches with other schools. There were ten matches held during the school season. Although the turnout for the new sport was small, Scott Cook, John Chanaud, Bill Lowe, and Jimmy Stowe achieved a composite score to place fourth in five of their matches. These four boys attended the State Championships held at the University of Maryland on Thursday and Friday, October 26 and 27.

for as your dad says

Mr. Leonard Risley

The 1979 Pride Staff wants to note the retirement of Mr. Risley, and to thank him for the help that he has given to the students of Q.A.C.H.S. during his tenure as a carpentry instructor in our vocational department. We wish him well in his retirement.

*P.S.S. Remember the guide at

the cafeterias.*

*call me that because

P.S. Remember all the fun at the A.A. meetings!

HAVE YOU EVER STOPPED TO WONDER

Have you ever stopped to wonder
What the coming year will bring?
Will it be filled with laughter,
Will it make us sing?
Or will it be a struggle,
With each day bringing pain?
Will we ever see the sunlight,
From behind a pouring rain?
Some of us may feel ready
to go on and start a life.
Facing every challenge
And beating every strife.
But can we all be certain,
Of what our future holds?
Can we believe the excitement
of every story told?
We know in time the day will come
When we'll all be on our own.
And we'll each make the best of it
Knowing how much we've grown.

It is with a great sense of PRIDE and satisfaction that we, the 1979 Pride Staff, present this yearbook to each of you. Throughout these pages, we have tried to capture the moments that made 1979 the special year, that it was to so many of us.

We cannot express in words, our gratitude for the leadership and friendship given to us by our advisor, Mr. Michael Coyne. We would also like to thank the staff, for the hours of hard work and the countless memories.

Our publication would have been impossible without the generosity and support of the local businessmen. We are also most grateful to the Record Observer, The Star-Democrat, and to The Queen Anne's Journal for the many photos that they donated to the cause.

So it is that we present this book to each of you, with the hope that it will bring a smile to your face, and a tear to your eyes as you look upon and reflect on the great year of 1979.

Tracy,
To a Fairly nice
girl who ruined my
English grade with your poor
acting tastes. Good luck in the
future, and I hope that one day
you receive that "RT" that you've

Tracy,
So a wonderful
friend a beautiful girl and
a excellent trumpet player. Now
as for you as a Band Pres. well
hooking class is not suggested. I'm just
 kidding > would it > could. You a great girl
and I wish you luck in everything you do. and
don't forget me or I'll report you for hooking okay.
That's a threat.

Wish you the best of luck in the future
If you have anything for accomplishing something
follow your thoughts for you'll not accomplish
anything by staying idle, your goals are your
future. Good luck and remember the good
times

Tracy

Tracy,

Remember Chemistry
and Mr. Owen, Well, on
second thought, just remember
Chemistry. Anyway, good
luck in the future and
when you become successful
remember all the little
people who made it possible.

Tracy,
I really don't know what
to say, even though we've known you since
I was 3 or 4! all I can say is stay
sweet, and the best of luck with Tom
and college. I think the band will miss
you. I miss most of all, so you
better come back to see us!!
Keep in touch!

Tracy,

Well, its been 3 or 4 years since we ~~last~~ met. It has been alot of fun being around during band practice and on trips, All the times we disagreed about things but then they weren't at all important.

Always stay and sweet and intelligent as you are and never forget me.

In signing this year I don't want you to remember ~~as~~ damn thing that has happened this year in school.

Just Remember Good Ole Jesse.

Good Luck in College.

Love Always.
